

I Rise

Stop it!!
Stop this cruelty
Stop this brutality
Stop this nonsense
And put it to an end
Let me break free
Let me shout
I want to yell
I want to cry my heart out
and I want to tell everyone
What it means to be
Teased
Beaten
Abused
Accused
Molested
Bullied
Mistreated
Misused
Man-handled
Harassed
and ridiculed.
Enough is Enough
Let me be me
I don't want to be
Ruled
Fooled
Schooled
and most importantly

Cooled.

Now I am IGNITED

and ready to burn your

Ego and My Fear.

My Silence

was just the calm before the storm.

Now I will not be Quiet

I will

Speak

Act

Answer Back

Protect myself

and sweep away all my Fears

Wipe off my Tears

because I am unstoppable now,

Stop me If you can.
