CLASS X CBSE RESULT

Amity International School, Sector-46, Gurgaon has achieved an astounding Class X CBSE Board result in the session 2018-19. Pia Gupta and Yatee Sukhani were the Gurugram district toppers with 99.4% aggregate and were also ALL INDIA RANK III, scoring an unbelievable 497/500. The school average was a whopping 91.4%. 68 students achieved perfect 100 score in various subjects while 132 students achieved 99/100 in various subjects. The school has 100% first divisions and 97.9% students have scored distinctions. The school has achieved 36 perfect 100 scores in Mathematics, 13 perfect 100 scores in English, 2 perfect 100 scores in Hindi, 4 perfect 100 scores in Science, 8 perfect 100 scores in Social Studies, 4 perfect 100 scores in French and 1 perfect 100 score in Sanskrit. Adding to the accolades of the toppers and the school, Amitians such as Gaurav Dahiya, Vivek Yadav and Varsha Dalal overcame their personal struggles and achieved spectacular results. Gaurav Dahiya who belonged to the EWS quota had an impressive score of 81.4% despite suffering from the learning disability of Dyslexia. Vivek Yadav also fought Dyslexia and had a superb score of 92.4% with a 99/100 score in FIT. Varsha Dalal who belonged to the EWS quota worked hard and achieved a perfect 100 in Hindi along with a phenomenal aggregate of 97.2%. The stupendous result of the school has shown that nothing is impossible and that 'The sky is the limit', a motto which the Amitians will keep on pursuing in all their future endeavours as well.

EUROFEST 2018—19

The School takes pride in nurturing not only academic brilliance but also instilling in its students, a sense of social and moral responsibility of the milieu around them. Students of Amity' 46 participated in Eurofest 2018-19, held at St Petersburg Russia. 81 teams from all of the world participated in the international even. Amity' 46 team worked

with the teams from Russia and Romania and won 3rd position in Division 3 and 4. Language barrier, sleepless nights to prepare for the competition and cold weather nothing could hold us back and AISG 46 returned as a champion. We presented a skit, a dance and an original song with all new props made in 2 days in Russia itself.

DISHA—A CAREER ORIENTATION

The School organized DISHA- A Career Orientation Symposium for the session 2019-2020 as a part of their ongoing Career guidance and counselling curriculum. Over 28 experts from different career streams and fields came together to orient the students & parents of Classes IX-XII for their field of professional interests. The sessions were planned in an interactive and individualized manner where the parents & students got to interact with the panel experts on a one to one manner with respect to their queries about the respective fields. The panel on board consisted of expert parents from different professional arenas and alumni of Amity- 46 studying abroad. The program commenced with the lamp lighting ceremony with all the experts who were ushered to their respective venues where the sessions were scheduled. There was an overwhelming response from the students in all the 30 different venues, specially in that of Aeronautical Engineering, Computer Sciences, Civil Services, Management, Medicine, Law and Armed Forces. The panelists addressed various pivotal aspects of each of their career dimensions ranging from the road map of their own success stories, entrance requirements to the courses, best colleges for the course option along with the misconceptions and misnomers about the field. They also threw light about the discrepancies between the reality and expectations in every career field through the brainstorming sessions. Event Report Parents browsed through the spectrum of varied options provided through the Disha platform with the students who enthusiastically questioned the experts about the new and non conventional career options like ethical hacking and investment banking to name a few. The feedback taken from the panelists was also equally affirmative of the huge success of the event as one of them said “ I got to live back my days in training and preparation where I was struggling, students should definitely get more such platforms to know and explore the actual insight in to their choice of career”. The parents who attended the different orientation sessions also gave an good feedback stating that “The experts were not just experienced with their work but also very understanding of our queries and addressed them accordingly”, while some of them also applauded the one to one approach of ‘Disha’ which gave them an avenue to discuss the career paths on a more close knitted basis with the experts from the field as they said ‘This format is much better than sitting in a workshop with 50 other people where you hardly get answers to all you want to ask, experts here were available in the room as us and the discussion was more fruitful and informative’. The parents and students expressed their gratitude to the school and also conveyed their wish to attend and be a part of such a fruitful and enlightening initiative on a more regular basis.

READING MAHOTSAVA 2019

AUTHOR'S MEET (CLASS VII)

Reading Mahotsava is an annual event which involves reading related activities, meeting various Authors, reading supplementary books, competitions, Book fair, etc. Author Meets are being organized in school during Reading Mahotsava '19. On 22/04/2019, Mr. Shubham Das a writer and an author conducted a session with the students of classes VII. His first book, "Comedy Dreams", is a story of a simple guy from Delhi, Sameer Mishra who was the life of every party he attended. Famous as 'The Desi Dude' since his school days, Sameer always dreamt of becoming a stand-up comedian. But it was not easy to pursue his dream in today's fast-paced competitive world. He faced resistance from his father and goes to Mumbai to make his dream come true. But what awaits him is not success but rather treachery, infidelity and defeat. He is lost in the battle between fiction and reality and strives to fulfil his dreams. Will he be able to achieve his goal of spreading smiles to the world? He shared his experiences about book writing, benefits of reading habits, etc. The entire experience was quite enriching.

AUTHOR'S MEET (CLASS IX)

Author Meets are being organized in School, during Reading Mahotsava '19. On 23/04/2019, Mr. Murad Ali Baig, a writer and an author conducted a session with the students of classes IX. He is from the Doon School, did his master's in history from St Stephen College, New Delhi, and spent a year at the Sorbonne, Paris. He has a deep interest in history and religion and his 80 Questions to Understand India, History Mythology and Religion (Tara Press, New Delhi) has sold over 20,000 copies so far. He has a career in public relations and he is writing on widely different subjects including rural development, power, marketing and humour but is best known for his articles on automobiles and travel.

PRERNA DIWAS

A Mentor empowers a person, to see a possible future and believe it can be obtained.

As the flowers turn towards the sun to grow, so do we turn towards our respected Chairperson ma'am for the inspiration. Ma'am is the inspiration behind all creative insights at Amity and we all draw strength from her persona, thoughts and vision. Every Year we at Amity celebrate her birthday as Prerna Diwas. We, at Amity believe - Earth Day is a day to celebrate the existence of the planet we live on. Students participated in various activities to commemorate our existence on Earth. Under the able guidance of our Respected Principal ma'am and with the blessings of our beloved Chairperson ma'am, a weeklong Earth day celebration was held at AIS 46, Gurugram. The Earth day celebration was

culminated with the Chairperson madam's birthday celebration on 29th April as Prerna Diwas. During the Earth Day celebration many activities and competitions were conducted to increase awareness and appreciation of the Earth's natural environment. The students made an effort to showcase environmental education highlight efforts to green the school and engaged themselves in making a difference through various activities and competitions.

ACC SESSION

ACC Session was organized in school on 23 April 2019 for the students of class IX. This session gave the students an insight of the Annual ACC Camp organized at Manesar for class IX. It provided a unique opportunity to the young scholars to acquire the skills of ACC training, experience life in a camp and the joy of many adventure sports under the close supervision of trained instructors and facilitators. Training Syllabi covers all essential military subjects concerning drill, field craft, Battle drills, Map reading and Organizational Structure of the Army.

Suitable exposure is also given to Cadets in Trekking, Shooting, Obstacle Course, Adventure Activities, General Awareness, Cultural and Allied Activities. Students were excited to learn about the camp and thanked school Principal, Mrs. Arti Chopra for providing them such a unique experience.

YES ABROAD PROGRAM

Luka Wohl, the Exchange Student from the US, who studied in our school for almost a year, is now an Amity Alumnus. As he completed his tenure in India and prepares to go back home, Amity truly appreciates the way he attempted to imbibe Indian culture and appreciated our cultural heritage. Thanking his class teacher, all other teachers who taught him and host parents, it goes without saying that he truly left good memories with his friends, in class, sports field, tabla room or the library. Honorable Chairperson felicitated him and wished him for all the success for his upcoming future. We are thankful to AFS for giving the school this

opportunity and to AERC for all the kind support.

ATL COMMUNITY DAY

To Celebrate the community day for ATL , 40 students from Govt. Girls senior secondary school were invited along with Amitasha students in order to expose them to various technology driven activities , to instill the spirit of community connect through science. The program was inaugurated by Respected Principal Ma'am Ms Arti Chopra who encouraged the students to come up with innovative and sustainable ideas to make community a better place to live i. Students were given hands on experience on ATL tools and kits that can be used to make a drone , understand the aerodynamics,

working of motion sensors and Creatile Kit etc. Along with the guest school, we had our own kids from Amitasha. They all enjoyed the activities demonstrated to them and they also used those kits to have a better understanding. They were encouraged by the mentor Mr. Vivek and Guest of Honour Mr. Hetal Sonpal to have a problem solving attitude to come up with new ideas . We had students volunteer from AIS 46 who were actively involved in the training of these students. Overall it was an enriching experience for both the volunteer students as well as the students from the government school, to have a flavor of hands on activities that can help us to have a better tomorrow. Though the students of Amitasha were the youngest amongst all but they were actively involved and having thrill in performing all the activities taught by the volunteers.

ORIENTATION PROGRAMME

Reaffirming the commitment of providing quality education, an orientation programme for the parents of classes IX to XII was organised in the school premises on Saturday, 27th April 2019. The session was conducted in two slots.

8:30 – 9:30 Am – For grades IX and X

10:00 – 11:00 Am- For grades XI and XII

The programme commenced with the lighting of the lamp followed by a classical Oddisi dance performance by Meghna Barik of grade XII J. The purpose of this programme was to apprise the parents about the holistic education imparted in the

school, class 10 board examination better. The Principal, Ms. Arti Chopra commenced the session with a powerful and insightful presentation, urging the students to select streams according to aptitude as well as academic strength and not merely due to peer or parental pressure. She urged parents and teachers to focus on the need to tread along with a positive attitude and develop strong personality amongst children. The objective was also to orient the parents with insight in the various subject combinations offered by the school and the career prospects. They were also apprised about various school clubs like Model United Nations, Interact club, theatre and various Work and Art experience clubs which are an integral part of the school program. The achievements of students at national and international level were also shared with the parents and the various school initiatives highlighted. Mrs Arti Chopra also reiterated the code of conduct of the students in the school premises. Ms. Shalini Aggarwal, the co-ordinator of classes IX and X and Ms. Manisha Khanna the co-ordinator of classes XI and XII elaborated on the changed pattern of evaluation by CBSE and the areas where a student would be assessed through a meticulously prepared and detailed power-point presentation. They emphasized on the need for knowing about these changes and the role of parents in guiding their children more effectively. The importance of remedial teaching and its role was also brought forth. The class teachers of the respective sections were also introduced. During the sessions a talk on usages of Amitranet was also given. Orientation for CAE was taken by Ms. Ritika Sharma and Ms Ankita Dey. The various benefits and courses of CAE were explained by them. The parents were very happy with the session.
