Prizes were given away by the chief guest and distinguished judges. Principal Mrs. Arti Chopra congratulated all the participants for their mind blowing zeal and wonderful performances.

## MI WEEK

The MI week was celebrated to encourage and promote Met cognition among students about their learning styles and strengths. It was an endeavor to assess the natural learning styles of the students which would further help the teachers to present the content in ways best suited for great learning outcome.

The activities were based on 8 core intelligences which included Linguistic intelligence, Logical-mathematical intelligence, Kinesthetic intelligence, Musical intelligence, Interpersonal intelligence, Visual-spatial intelligence, Naturalistic intelligence.

Through the above mentioned assessment, students would get to know about their strongest intelligences as well as insight about developing the weaker ones. Teachers can find ways to incorporate activities that complement the child's strengths. Helping students identify their learning styles and providing them opportunities to capitalize on them was the goal behind conducting MI week. It was thoroughly enjoyed by the students and teachers alike.
