CHAIRPERSON'S MESSAGE

Dear Amitians,

Spring brings with it a Season of joy, new hope and new scope. Flowers blossoming in night, leaves budding everywhere makes the surroundings quite picturesque and colorful. We as Amitians have always been striving hard to spread the fragrance of quality education blended with hues of culture and ethics to make each and every students' life beautiful and glorious. My Best Wishes to all my students appearing for their Annual Examinations and also the students of Grade X and XII for their Board Examinations. It's time to reap the fruits of our earnest endeavor so that all of you make your school and parents proud and happy. ALL the Best!!

As rightly quoted by Thomas A Edison," Our greatest weakness lies in giving up. The most certain way to succeed is always to try just one more time

PRINCIPAL'S MESSAGE

The "Blessed Amitians"

For the agility of all your senses,
For the way your head, heart & hands function in unison,
For the virtuous wisdom you gain every year,
For the innate potential to think creatively,
For the ability to feel happiness and express love;
Hope you expressed your GRATITUDE!!

For the warmth & love your parents have for you,
The Protection & Unconditional Love by Grandparents,
The Opportunity of sharing limitless emotions with your buddies,
The Caring hands of teachers that
Strengthen your intellect,

Nurturance given by school that raises the benchmarks of perfection;
Hope you expressed your GRATITUDE to them all!!

For the advise you receive to instil skills & competencies,
For the guidance offered to you to make you a futuristic planner,
For the way your books connect you to real life,
The Events & exposure you get through competitions,
For the Amity Culture that enables you to lead, with humility,
For the blessings of God that connect all the dots for a successful future;
Hope you expressed your GRATITUDE as an Amitian

NEW YEAR TIDINGS

Creativity -Junior School

The new year angel whispered in my ear,
The year ahead will bring joy and cheer.
New hope, new resolutions,
I strive to work hard with patience.
More caring, more kind,
I will try to have a positive mind.
No more fear or dismay,
I am sure my school will open without further delay.

NATURE'S WAY

Upon a nice mid -spring day,
Let's take a look at nature's way
Breathe the scent of blooming jasmine,
Feel the breeze within your hair.

The grass will poke between your toes,
Smell the flowers with your nose,
Clouds will form shapes within the skies,
And the light will flash from your eyes.

Hear the buzzing of your bees,
Climb the tallest willow trees.
Look across the meadow way,
And you may see a young deer play

Pick the daisy as they grow,
Then watch a gentle cold stream flow,
Know the sound of the water splash,
Catch it's glimmer as a flash,
And listen to nature to tell her tale.

PAARTH RATHI (CLASS 5I)

THIS ONE IS FOR YOU, FOUNDER SIR

Amity is the finest school,
Superb is your contribution in it all,
Harmonious is the environment here,
Omniscient being your knowledge, and
Kind is the soul who nurtures us all,
Knowledgeable infinitely you are.
Clever it may seem, but we know
Hard work, Affection and
Understanding have made it all possible.
Heroic have been the efforts and
Amazing are the results, may
Nobel be the future ahead.

EXAM FRIGHT

Exam-Phobia?!?

One of the nights filled with fear,
Nope. Not the fear of a ghost or a bear,
Yes, you guessed it right Exam's tomorrow,
Surely a day filled with sorrow.
Buried under books the whole time,
Studying about pennies, rupees and dimes,
Thinking about the time in the exam hall,
It feels like I am waiting for a battle call.
Chewing almonds and drinking milk,
At the same time studying about the route of silk,
Then everything started getting hazy,
And I drifted off to sleep like a sloth who is lazy.
Next day as I received the sheet of exam,
My brain ran as fast as 26GB ram,
Surprisingly I knew all the answers,
I seriously felt like dancing with a Group of dancers.

PRITHA GHOSH (CLASS 7B)

THE ROAD TO HAPPINESS

The long road to happiness I take,
To fulfill the wishes and dreams I have made.
You can make someone's day by saying a word of kindness
Or showing a lonely man the much needed gentleness
I pride myself in surrounding myself with everyone merry
And looking forward to tomorrow even if it gets dreary
I'm grateful for having my family and friends for support
As success without love and happiness is equivalent to
failure and more
This road is a hard but successful climb,
But scaling this journey makes it all worth while
The long road to happiness I take ,
So that I find myself in a much better place.

FORGIVENESS

For each time you don't forgive
I feel like you forget to live
For each time you hold a grudge
I think you're mulling too much
For each time someone says sorry
I think you need to hurry...
...to say that's its ok
There's nothing to worry
All I need you to know is that forgiveness
is a gift
So learn it, earn it, or return it, though
never treat like a dayshift

IT ENDS WITH US

I stand in front of a mirror
And I do not see myself,
Since I don't know who I really am.
I hunt for myself,
I see **brown** flesh
And sullen astonishment.
The mirror shrieked,
"Skin too dark to be pretty."
And so I ripped it apart, Bit by bit
Until the layer that wanted to feel worthy, fell
And got flushed into the drain.

When I wanted to hop and play
I was forced to learn how to earn money
And instead of using that opportunity to do both?
I skinned all the layers.
To the point where I had no hopes,
No aspiration to gather gold
Or to nurture my kids and grow old.
I, sat and cried.
Ceaseless streams of tears ran down my cheeks,
A silhouette of life.

And one day an opportunity knocked on my door
It bashed, loud and clear.
But from all the shedding
I had no ears to listen, no hands to open the door
And my hamstrung and wild tongue
Had lost its capacity for speech.

I am my worst enemy.

My thoughts continued to haunt me,
Round and round.
Until I realized that the path was to move forward.
My relentless cries of "why me"
Were like melody to my mind,
But no they were not.

I had locked myself behind the bars of self-loathing,
When really it was self-victimization.
And I have the power to fix this,

I am my own best friend.

And again I stand in front of the same mirror,
And I see nothing.
Because it's not a mirror anymore,
It shouted happily at me
Because it knew a little girl ruined it
She broke her mind's cage and flew.

THE HUMAN'S LAIR

Waking up in a daze,
Emeralds growing in the garden.
Golden barks gleaming,
As I try to blink out the haze.

Looking up the sky is Sapphire,
The Sun a Topaz glare.
Opals raining down on me,
As I breathe diamond air.

But something is unnatural,
Something doesn't make sense.
I blink and blink again,
Try to blink out the haze.

Finally, I break away from the daze,
And see nothing but decay.
The beautiful treasure fair I saw,
Was ruined by human's lair.

कोरोना के साथ जीवन

कोरोना ने बदल दी है ज़िन्दगी
घर में बैठकर सब हो गए हैं परेशान
कहाँ पार्क में खेलने जाते थे
कहाँ ऑनलाइन गेम्स आई हैं काम
स्कूल जाने के लिए छह बजे उठते थे
अब नौ बजे उठना भी नहीं है आसान
हर थोड़े दिनों में सब्ज़ी लेने जाते थे बाज़ार
अब सब कुछ है ऑनलाइन और सब आता है
हमारे द्वार
स्कूल में भागते-दौड़ते रहते
घर में सब है आसान
पहले सड़को पर रहता था जाम
अब आस-पास सब रहता है शांत
अब तो सब कुछ घर में होता
कर सकते हैं आराम
मम्मी कहती थीं डिजिटल का ना लो नाम
अब उसके बिना नहीं कर सकते कोई काम
जन्मदिन आया, सब के साथ मनाया
उसके लिए वीडियो कॉल काम आया
कहीं ना आना, कहीं ना जाना
हर काम के लिए ऑनलाइन बैठ जाना
मानो डिजिटल बन गया नया फिज़िकल
सबके मन में यही रहता कि
अब कोरोना जाएगा
खुशियों से अब
पूरा संसार जगमगाएगा

दोस्ती

सबसे प्यारा है मेरा दोस्त,
खेलता- कूदता वह हर रोज़ ।
पाठशाला में अच्छा पढ़ता ,
हर बार वो अक्ल आता ।
मम्मी से वो न खाता डाँट ,
लगा देता वो सब की वाट ।
मुसीबत में न छोड़े अकेला ,
ऐसा मेरा दोस्त अलबेला ।
आओ ,सब उसके जैसे बन जाएँ ,
दोस्ती का मान बढ़ाएँ ।

OTHER LANGUAGES

LE FEU ET LA GLACE

Certains disent que le monde se terminera par le feu,
Certains disent dans la glace.
De ce que j'ai goûté au désir
Je tiens à ceux qui préfèrent le feu et la glace.
Mais s'il devait périr deux fois,
Je pense que j'en connais assez sur la haine
Dire ça pour la destruction de la glace
Est aussi une sorte de haine
Et serait sûrement le même

VIRTUAL REPUBLIC DAY CELEBRATION

Republic Day has a great importance in every citizen's life. It is the day of great pride and glory for every Indian. It honors the date on which the Constitution of India came into effect on 26 January 1950 turning the nation into a newly formed republic. Under the guidance of our honorable Chairperson Ma'am, **Dr. (Mrs.) Amita Chauhan**, we at **Amity International School, Sector-46, Gurugram** celebrated Republic Day in Grades I to XII virtually through Microsoft Teams. It was celebrated with full fervor wherein the classes began by sharing a thought about our country, India. The students learnt and presented various patriotic songs, poems and dances in their online classes. In art classes, the spirit of Republic Day was reflected through clay modeling, painting, drawing etc. Students talked about the parade and awardees on Republic Day at India Gate. They participated enthusiastically in various activities and expressed their thoughts on the occasion. Our Principal Mrs. Arti Chopra addressed the students and teachers and wished everyone on the occasion. She inspired us to work hard which will take India to a great height. Everyone was in very high spirit invoking patriotism.

INTER AMITY MENTAL MATHS QUIZ 2021

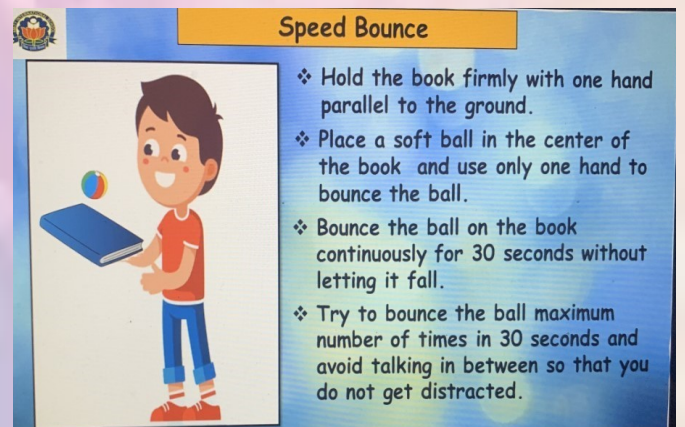

INAUGURATION CEREMONY

The Inaugural Ceremony of Inter Amity Mental Math Quiz-2021 was hosted virtually by Amity International School Sec-46, Gurgaon on 19th January , 2021 . The ceremony began as per the Amity tradition by Lamp lighting and soulful chanting of Vedic mantras. The occasion was graced by our respected Chairperson Dr. (Ms.) Amita Chauhan, advisors, Principals and other distinguished guests. Mr. B.N. Bajpai, Advisor to Amity Group of Schools, welcomed Chairperson Dr.(Ms.) Amita Chauhan Madam and all the esteemed judges- Mr. S. N. Chibber, Mathematics expert , Dr. Rajender Singh, Professor at the Department of Physics, IIT Delhi and Mr. Pradeep Kumar, Astt. Professor, Zakir Hussain College, Delhi University. Sir welcomed Chairperson Madam by offering a Tulsi plant. Bajpai Sir, in his address expressed his gratitude to Chairperson Madam for her unending support and guidance to undertake enriching endeavours like Inter Amity Mental Maths Quiz, a competition testing the application and quick thinking capability of students right from Grade I to the senior classes. Sir highlighted the various accomplishments Of Inter Amity Mental Math Quiz- which began eleven years ago to develop the mathematical acumen of the students. He shared the details of this three day event being organised from 19th January- 21st January , 2021 at Amity International school Pushp Vihar, Amity Mayur Vihar and Amity Vasundhndhra 1. Presentation of video, prepared by the host school, was a showcase of the heights touched by MENTAL MATHS QUIZ . Blessings and address by Chairperson Madam were indeed a great inspiration to each and every one present in the audience. She motivated students and reiterated that one should never be afraid of failures as they are the real learning experiences. MS. Vanshika Tuteja, Academic Coordinator Grade IX-X and Mental Maths In charge , announced the result of the PRELIMINARY ROUND OF THE QUIZ Conducted for Grade I,IV & VI.

SPARDHA—CELEBRATING FITNESS WEEK (GRADE I TO IV)

The legendary Kobe Bryant rightly said that great things come from hard work and perseverance, with no excuses. Following this, the school had organised a week-long online fitness week program called “Spardha” for **Grades I to IV**. All the students were encouraged to participate in fun and challenging activities involving kinaesthetic skills and emphasised upon the benefits of physical exercises to follow a healthy routine. All classes were given a video of their respective activity to be practiced made by the sports teachers. In **Grade I**, the students participated in **One Leg Hopping Challenge** where the students were called in a group of 6 and were asked to hop on one leg for 30 seconds. In **Grade II**, the students participated in **Balancing with Lemon and Spoon Challenge** where children were asked to hold a spoon in their mouth with a lemon placed on it, spread their arms, and stand on one leg while still maintaining balance of the lemon on spoon for 30 seconds. In **Grade III**, the students participated in **Speed Bounce Challenge** where they tapped a soft ball with a book without letting it fall for 30 seconds. The activity aimed to develop eye- hand co-ordination, postural control and better concentration in the students. In **Grade IV**, the students participated in **Speed Hopping Challenge** where they rolled out a towel and kept it beside them on the floor. At the blow of a whistle children started jumping over the towel for 30 seconds. The event was supervised by our Senior Co-ordinator, Ms. Sumity Kapoor, Academic Co-ordinator, Ms. Parvathi Subramanian, Class Teachers of Grades I to IV and Sports Teachers. Children participated whole heartedly with great zeal and enthusiasm. Col. Ahluwalia addressed the children and congratulated them on the success of the event. It was a great learning experience for everyone.

SERVICE LEARNING PROGRAMME—GRADE VIII

Amity wants the students to move away from a "charity mindset" and develop a "social justice mindset."

Students of Class 8 participated in a service-learning project. Through this project, students tried to achieve real objectives for the community and developed deeper understanding and skills for themselves. The goal of initiating this service-learning project was to make connections between course topics and real-world issues, values and beliefs. Students achieved a greater sense of efficacy, identity, spiritual growth, greater interpersonal development, particularly the ability to work well with others, and build leadership and communication skills. Variety of topics were undertaken by students including Road safety awareness, Basic first aid learning, Good Nutrition and say no to Obesity, Cleanliness is next to Godliness, program for underprivileged children to generate awareness about important aspects of the city-e.g.: important landmarks, tourist places, places of historical importance etc. Various programmes were organized online for under privileged students like-Online Antakshari, Mythological play, Eklavya- Drama was showcased to inculcate the values of Guru Shishya Parampara. Students learnt compassion as well as composition. Students thanked School Principal, Mrs. Arti Chopra and Head Mistress Mrs. Ranjana Sharma for introducing this wonderful project to them.
