JULY 2019

AMIGMUN 2019

11<sup>th</sup> edition of AMIGMUN (2019), was organized in the premises of AISG-46. The opening ceremony saw unmatched and extreme enthusiasm. Following the auspicious lamp lighting ceremony, our respected Principal, Mrs. Arti Chopra, encouraged the students to carry forward the legacy of the school's prestigious MUN society. The esteemed Chief Guest for the ceremony, Mrs. Prem Lata, the District Education Officer of Gurugram, graced the hall and motivated the students with her words of wisdom. Subsequently, the Secretary General, Ayan Gupta introduced the Executive Board and pounded the mallet, declaring the conference open for deliberation. With more than 150 countries and 400+ delegates spread across seven committees, i.e. the U.N. General Assembly, JCC-World War II Cabinet, High Level Panel on U.N. Reforms, Asiatic Cooperation Dialogue, ECOSOC, U.N. Security Council and Lok Sabha, the participants discussed various global issues under the moderation of council Chairpersons and Vice Chairpersons. The second day started off without much ado, reinitiating the previous day's debates. Dedicated to finding solutions to the issues at hand and forming official resolutions, every committee ended on a productive and high note, as the delegates successfully fulfilled the agendas of their respective committees with their hard-work and determination. The scintillating closing ceremony was filled with lovely moments of the two days, and as the conference ended, triumphant delegates won awards like Best Delegate, High Commendation and Special Mention.

## CREEPY CRAWLY CORNER

The school took pride in sharing its love for environment by creating “A Creepy Crawly Corner” for the children of Grade 1 and 2 from 22<sup>nd</sup> July to 31<sup>st</sup> July 2019. Keeping in sync with the topic “LISTEN TO THE RHYTHM OF FALLING RAIN” it aimed to educate, inspire and connect the children to nature and to empower them at a young age to appreciate life and understand the importance of these tiny creatures in the environment. A wide variety of insects like Leech, Snails, Earthworms, Centipede and ants were showcased and interesting facts were shared with them. The children

thoroughly enjoyed learning about the creepy crawlies and their co-existence in nature. To add on the surprise element a Rabbit was also showcased. An array of engaging, exciting and fun-filled Creepy Crawly themed activities were conducted. The children reflected their learning by making a flip book on creepy crawly insects. These activities allowed the children to get close to the nature and learn from experience.
