## Aarogya - is one step forward in the making of a healthy nation

Aarogya is one step forward in the making of a healthy nation. Aarogya shares its inception with the crucial issue of self-medication becoming common in every other household. Self medication is the consumption of pills without the prescription of doctors. In addition to it, students noticed that the correct disposal of medicinal waste is still a far fetched goal to achieve! Apart from this, the students realized that many of us neglect the expiry date of the medicines and put our own health at risk.

The students are driven by the passion to change the present situation and wish to be the change they want to see. Aarogya is the students' attempt to bring about a tangible change and ensure right way of consumption of medicines. Our school is proud to share the official Facebook page of its Youth Power Team for 2017-18: Aarogya.
