PAUSE TO PONDER

*New Year is the time to set new goals, make new resolutions and working hard to achieve them... make this upcoming year a new beginning for all your pending tasks, to complete them with more energy and zeal:
break a bad habit, learn a new skill, read a new book, do a good deed ,be active, read more often, see the good, and learn to forgive others. Remember, successful are those who never give up to difficult situations and problems. We have a lot of potential to make the impossible possible. Wish you a successful year ahead.*

Message from the Principal's Desk

"From every ending, comes a new beginning."

Dear Students,

The New Year is waiting round the corner with new tidings! As the year draws to a close, we must remember all that it has taught us. Yes, this year has been unlike any other in innumerable ways. But let us not forget that we have learnt so much from it too. It has taught us to learn, unlearn and relearn, for one. At Amity, new initiatives and innovative strategies were implemented for all classes to remain constantly in touch with both parents as well as students through online PTMs and personal interactions with the Principal and Teaching Faculty . Our class presentations, virtual picnics and excursions as well as online versions of all the school events have ensured that children do not miss out on the joy of learning due to the pandemic and we stay connected with each other even in the online mode of learning.

It is rightly said that change is the only constant in life and the old order must give way to the new. So let us bid adieu to the year gone by with wisdom anew and welcome the New Year with open hearts and trust the magic of new beginnings!

Goodbye 2020

*Another year draws to a close
Yet this was not just 'another year'
The year that transformed everyone's lives
The year of uncertainty, turmoil and fear.
The year that taught us many a lesson
Cutting us off from the world outside
Yet staying connected at the click of a button
The year that sure wasn't 'a jolly good ride'.
Every cloud has a silver lining, they say
The chirping of birds is back in the air*

*The sky seems clearer and the air so pure
As if Mother Earth is enjoying a glorious day
365 days, 12 months, 52 weeks
That's all a year within it holds
Keeping us guessing, as if to speak
To see how its mystery slowly unfolds.
Let's bid 2020 a somber goodbye,
For all it taught us much of the year
And welcome the New Year waiting nigh
To be greeted with warmth, joy and good cheer*

The Captivating Sikkim

Pranshu Marwaha, V-C

*Surrounded by the snowy mountains,
Amidst the lap of the Himalayas
And beautified with greenery and scenery,
The land of the resplendent Buddhist monastery,*

*Land of the fascinating valley of flowers
And enthralling waterfalls,
Heavens where lie
Oh, this splendid city will never let you say
goodbye.*

*Sky-touching Kangchenjunga mountain
And the thriving, crystal rain
The sacred Buddha park,
Leaving a refined mark.*

SIKKIM-SPECIAL

An Ode To The Beautiful Sikkim!

Ananya Vajpayee , X-C

*With snow capped mountains, where glaciers melt and flow.
The first rays of the sun makes Mount Kanchenjunga glow.
The Nile of mother Sikkim is river Teesta that moves fast and slow.
Nested in the arms of Himalayas, cool breezes of love and peace blows.*

*Dendrobium nobile blooms across the mountain trees.
Singing the songs of love and tranquillity,
Blood pheasant rests in these trees.
How blessed are we to live in the branches of Rhododendron tree.*

*Red panda also loves Sikkim and keeps climbing Rhododendron tree.
From mountain to valleys, everything is fresh and green.
Sikkim has a rich heritage, and is yet to be seen.
Different culture and language adds depth and beauty to the green.*

*Travellers and guests always mark, "Oh! This place is so green and clean."
The song of love and peace is embedded deep in our heart.
Watching the beautiful mountains, this is how our day starts.
People living here are so innocent, that I fear political issues may tear us apart.*

*Let not the green be turned into white buildings,
Else Blood pheasant and Red panda will leave us alone
And flee to other countries part.*

JUNIOR JUNCTION

2020 - YEAR FULL OF LEARNINGS

-Akanksha Narayan, V-B

Starting of the year 2020 was just like any other. But in February end this changed. A virus named CORONA came and it stopped our lives. All we heard was CORONA, Lockdown, Fever, illness.... etc. Everyone was scared of it but slowly and slowly we started adjusting to a new life & new reality. We started discovering new things like for staying at home for so long as I never stayed at home for so much time. I would always pester my parents to take me out somewhere, but now we discovered new ways to keep ourselves busy. Like we started playing board games more often. The most interesting thing was that I found a cricket field in a corner of my house and a boxing ring on another corner of my house. Such an amazing thing. We started attending to school online and learned new software like Microsoft Teams. I am now able to spend more time with my brother and enjoy with him. Those who lost their jobs could now learn new things and new courses online.

As the year goes by, there are many positives that I can think of – things that we never thought could happen have happened. Hence, as I look back to the year 2020, I have an aspiration for the year 2021 and I am thinking what can I take back from the year 2020 & 2019 to 2021:

Schooling:

I want that whenever we want to attend our school virtually physically, we can. This will decrease the load in the class and we do not have to travel every day. All extra classes can be held virtually and thus we can be home early

Work:

People like my father can attend their office virtually. And teachers should get a change to choose whether they will teach virtually or physically. Similarly, all females should get an opportunity to attend to office virtually so that they can attend to their children at home.

Travel:

Travel can be reduced specially work related. Why do we need to travel so much just to talk? Reducing travel will help reduce pollution and traffic jams. This will also lead to saving the planet.

Shopping:

I was always interested in online shopping, but pandemic time has taught me that even basic shopping of essentials can be done online. Why should we not continue this?

Doctor Consultation:

I remember my father consulted the doctor for my grandmother over phone through a video calling, I also spoke to the doctor at that time. So I am thinking why can't we do this more often and reduce the crowd and infection at the hospital. This will also save a lot of time. I want to definitely carry this practice in 2021.

Family Time:

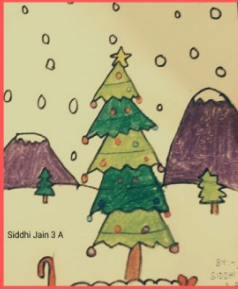

Most important I have never spent so much time with my parents in my life before. We never had so many discussions. I have always wished that everyday could be a Sunday and that wish seems to have come true. SO why can't we continue this? This can help so much of bonding in the families which will lead to happier families.

But of course, I still want to go out and spend quality time with my friends and cousins. I want to explore new things and I want to continue sports as before. I also want to travel places and learn new cultures and this is what I miss of 2019, that I want back.

BOOK REVIEW

FLY AWAY HOME– EVE BUNTING

- Esha Malkotia, V-C

Fly Away Home is a book that presents the subject of homelessness in a simple manner. The Author, Eve Bunting, narrates the day-to-day challenges of homeless people through the story of Andrew and his father.

Andrew and his dad are homeless. They choose to live in the airport rather than on the streets. They use various tactics not to get noticed by airport security. They wake up between 2-4 a.m. and freshen up in the airport bathroom.

Andrew's father works as a janitor in an office in the city during weekends. Andrew also tries to earn. He understands the importance of saving money.

The book shows how important it is to keep hope alive. Andrew feels hopeful after seeing an escaping bird.

Eve Bunting has used short sentences to narrate how homeless people face issues and how they try to solve daily problems like hygiene, food and safety.

MOVIE REVIEW

ENOLA HOLMES

-Tarushi Tewari, XII- G

STARRING: Millie Bobby Brown , Helena Bonham Carter, Louis Partridge , Henry Cavill

DIRECTED BY: Harry Bradbeer

Set in the backdrop of twentieth century England, this movie gives a brief account of Enola, Sherlock Holmes' 16 year old sister and one of the lesser known characters of Arthur Conan Doyle. Enola, a budding detective stays with her mother , Eudoria, and is schooled by her on all fronts, ranging from, science to sports to physical combat.

All goes well till Enola's life turns topsy-turvy with the sudden disappearance of her mother .Her brothers, Mycroft and Sherlock return home to help. Mycroft is determined to send Enola to a Finishing school , so that she turns into a "Proper Lady".

This causes Enola to escape to another city, she also has to find her mother. Things take an interesting turn, when she meets Young Viscount Tewkesbury , who has his own struggles.

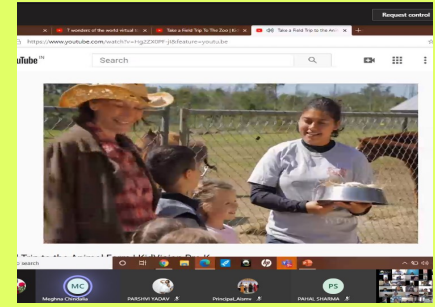

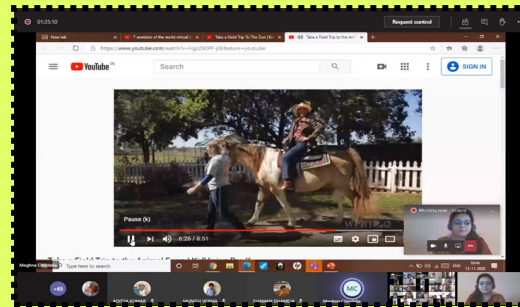

With Feminism and struggle for equal rights as its themes, the movie traces the journey of self –discovery of Enola as she faces challenges of life with might and pride.

The movie is awe- inspiring and is a must watch.

VIRTUAL TOUR AND EXCURSIONS

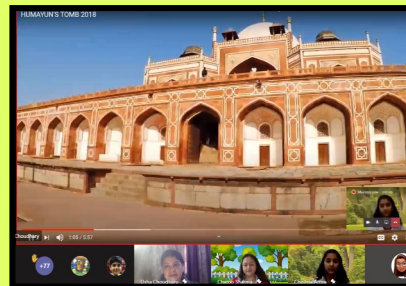

CLASS – 1

A virtual tour was organised for students of Class 1 to give them the experience of virtually exploring new places during these unforeseen times. It was greatly enjoyed by our tiny tots and their parents.

CLASS – 4

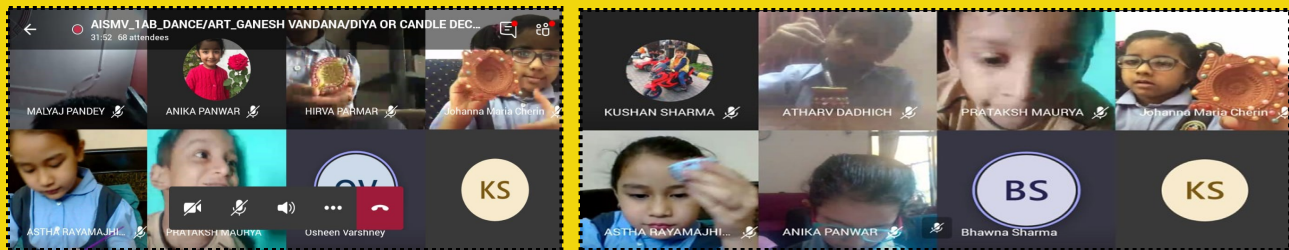

With this year's in-person events called off because of the coronavirus pandemic, Amity International School, Mayur Vihar organised Virtual Picnic for grade 4 students on 1st Dec. 2020. Children were very excited for this event and were all set with their picnic bags in colourful attire. Our dear Principle Ms. Meenu Kanwar ma'am and Co-ordinator Ms. Jasleena Kohli ma'am were also on board with other staff members and children. Virtually the students took a trip to Lotus Temple, Qutub Minar, Humanyun's Tomb and Akshardhaam Temple. They also learnt about the history and significance of all these historical sites. Various fun games were also planned and played. It was a complete fun day for one and all.

ACTIVITIES

Diya and Candle Decoration Activity

A pre-diwali activity was done during the art class for class 1AB. Each child enthusiastically decorated the diya or candle with beads, stars, sparkles, paints. Peppy music was also played to further make the children enjoy more. All the children participated enthusiastically and showed their decorated diyas on the cameras, waiting to be appreciated by their teachers. All the diyas were beautiful in their own way.

Mental Maths School Round

Mental Math

On Wednesday, 9 December the School round of Mental Maths Quiz was conducted virtually on Microsoft Teams at 12o'clock for the six students who were selected. Our Coordinator Ma'am Ms. Jasleena Kohli, who was the judge for the competition motivated and supported the blooming mathematicians, calming their nerves and encouraging them to do their best. The competition had five rounds; computation, shapes, brainteasers, audio story the rapid-fire round. The Quiz was first conducted on MS FORMS before moving on to the other rounds. Depending on the scores, three students (Dhruv Kapoor, Atharva Sengar and Agrim Aggarwal) were selected to be trained for the finals.

GUNJAN SAXENA: THE KARGIL GIRL

- Kashika Jain, VIII-B

Director- Sharan Sharma

Genre- Action, drama

"If you dream it, you can do it."

-Gunjan Saxena: The Kargil Girl, Netflix 2020

This movie is a very inspiring portrayal of Gunjan Saxena, India's only woman to serve in a time when the nation was going through a considerable turmoil, The Kargil war. Since her childhood, she always dreamed of becoming a commercial pilot. Unfortunately, her family was not able to afford her fees to enter the program. But her father encouraged her to join the Indian Air Force. She toiled hard and finally made it. Throughout her journey she was always discriminated due to her gender and was ready to fight society's every adversity. She carried out many rescue missions and supply drops in the Kargil war, serving as one of the nation's best pilots. Her contribution gained her the respect she deserved. She inspired thousands of women to stand up against the society and fight for their dreams. This movie is a must watch as it promotes our zeal and makes us more enthusiastic towards serving the nation.

WESTERN MUSIC SOLO SINGING/INSTRUMENTAL COMPETITION

In the light of the current situation, the western music society, CRESCENDO, organized the western music solo singing/instrumental competition for classes 6-8 on a digital platform. The event was kicked off with huge enthusiasm and zeal as 27 budding participants, many of whom were performing for the very first time, geared up for the competition.

The event had an auspicious start with a soul soothing hymn followed by some enlightening words by our principal, Ms. Meenu Kanwar. Next, a video showcasing all the accomplishments of the students of CRESCENDO was displayed. The event was adjudged by the alumni of our school, Parimal Bhatia, Armaan Afzal, Sankalp Biswal and our current president, Ayan Sharma.

The introduction of judges was succeeded by the first category, solo singing. Following this, Armaan Afzal and Parimal Bhatia, judges of this event, addressed the participants and gave encouraging advice.

Moving on, the second category, the solo instrumental category was commenced with much vigour. The virtual stage was enthralled by the spectacular performances of the young singers and instrumentalists. Ayan Sharma and Sankalp Biswal, the judges of the event, shed valuable insight on the contestants.

Subsequently, another video featuring all the aspects of CRESCENDO was shown. After this, an interesting and interactive quiz session about the society and music was conducted amongst the judges, teachers, participants and audience. The top four scorers received certificates.

The vote of thanks was succeeded by the much awaited results. Starting with the solo singing category, the 5th position was secured by Bhavani Jha, followed by the 4th position which was a tie between Harshall Sharma and Niveditha Rajesh. The prize for the second runner up was another tie between Dharaa Khare and Aadya Verma. The first runner up was secured by Gauravi Aggarwal. The winner of this category was Vanya Nautiyal. The prize for the upcoming singer and consolation prize were bagged by Geet Verm and Avni Drolia respectively.

Moving on to the next category which is solo instrumental, the third position was a tie between Aakash Aggarwal and Soumil Negi. The first runner up position was secured by Arkin and the winner of this category was Vedaansh Mitra.

With this the outstanding event came to an end.

MOBILE APP DEVELOPMENT

Android Mobile App Development

Developing an application in today's world fruitfully connects you with customers on the go. Because as the mobile stays with the audience, wherever they go, a mobile goes with them. So, it is used as a mobile marketing channel as well for promoting itself everywhere. Mobile applications are also used to send information to their customers using the notifications. Therefore, whenever there is a new launch, a new feature added, or rewards/ discounts, can be discussed and informed to audiences.
