### "Tribute to the guiding beacon of Amity"

A mother, a teacher  
An aficionado beloved  
Our chairperson is a lit fire  
One that constantly inspires.

In a land where great men set goals  
And greater yet achieve them  
She has given her set to help others  
And she's acclaimed in all of their accomplishments.

The schools and universities  
That she now heads  
Reflect her passion  
Of educating the world  
She carries this mammoth task  
With great patience and elegance.

A businesswoman,  
an influencer,  
Her presence in the world is a gift.  
Our chairperson is a bright light,  
One that guides you home.

## PRINCIPAL'S MESSAGE

Dr. Priyanka Mehta

*Dear Students,*

*Hearty Congratulations and Best Wishes on the beginning of this new academic year!*

*Every new session heralds the beginning of a new journey, new goals and new responsibilities. May this session be the harbinger of exciting achievements, wonderful initiatives and discovery of new talents! In the pursuit of newer milestones, it is imperative to remember – "A goal without a plan is just a wish."*

*So, when new horizons beckon, you should not be found wanting. It is imperative to begin a new journey with a roadmap because without a plan it would just be another aimless wandering.*

*As you venture towards your goals, set for yourself a plan detailing the course to achieve it. On this new course when you are armed with the right plan, virtues of commitment and sincerity and belief in your abilities nobody can stop you from achieving your aims. Be ready to plunge in this ocean of infinite possibilities and opportunities.*

*"Productivity is never an accident. It is always the result of a commitment to excellence, intelligent planning and focused effort."*

## ODYSSEY OF THE MIND, EUROFEST 2018 BERLIN, GERMANY

### 'Musings of the ODM team'

With the blessings and guidance of our Founder President Sir and Chairperson Ma'am, we, the team of Amity International School, Mayur Vihar, got an excellent opportunity to participate in Odyssey of the Mind, Eurofest-2018, held in Berlin, Germany. It was a great learning experience for the team, as we got wide exposure through our interaction with the teams of other countries. We apprized the teams of other countries about the rich cultural heritage of our country and eternal values taught to us at Amity. They all were fascinated and influenced by our culture and values. We participated in all the competitions i.e. Long Term, Spontaneous and Mixed Team Competition.

In Long Term and Spontaneous Competition, we got 3<sup>rd</sup> rank.

In Mixed Team Competition, we were at 7<sup>th</sup> rank. Final ranking of Mixed Team Competition is as follows:

AIGS, Gurugram	Rank 3
AIS, Mayur Vihar	Rank 7
AIS, Saket	Rank 8
AIS, Pusp Vihar	Rank 10
AIS, Noida	Rank 11

We thank you from the core of our heart for giving us this golden opportunity to participate in this grand event. Very humbly we would like to request yourself that in future, please provide us some time to explore the city also. Overall it was indeed a very good experience for the team. We are grateful to you for your support and blessings.

## 11th YRoNS Conference at Russia

### Experience of the YRoNS team

Khushi Choudhary (XI B) and Mrinal Sharma (XI D) from Amity International School, Mayur Vihar participated in the 11th International Conference, Young Researchers of Natural Sciences (YRoNS) held at Magnitogorsk, Russia from April 25 - 30, 2018. The theme for this year's coveted symposium 'Sustainable City Development, Ecological Approach', was organised under the aegis of Amity Educational Resource Centre (AERC). Our team gave presentation on 'LUTE-The Smart Dustbin' which was highly appreciated by the International audience for its innovative matter and research.

# 'WHEN AISMV CELEBRATED PRERNA DIVAS'

The day begin with auspicious Havan.

Chairperson ma'am being greeted by the tiny tots

Taking stock of the exhibition put up by the students.

Chairperson ma'am lighting the lamp

Chairperson ma'am planting Tulsi sapling in the campus.

Ma'am being presented with the self-composed poems by students.

Amity International School, Mayur Vihar celebrated "Prerna Diwas ' on May 10,2018 with lot of gaiety and adulation to commemorate the birthday of our dearest Chairperson Ma'am, Dr. Amita Chauhan.

The school band welcomed Chairperson Ma'am and Mr. T.P.S.Chauhan, Adviser to Chairperson Ma'am. Before being led to the auditorium for the programme, our esteemed guests observed and appreciated the exhibits of ' Best out of Waste', Hand-made jewellery and Earth week celebrations. Thereafter, a 'Tulsi' sapling was planted by our Chairperson Ma'am.

In the auditorium, our revered guests were welcomed by a standing ovation and to the tune of 'Happy Birthday' by the school Western Band. A five feet huge card prepared by the Art department was presented as a token of gratitude. This was followed by the budding singers presenting a mellifluous rendition of the inspiring poem 'Koshish Karne Walon Ki Kabhi Haar Nahi Hoti' set to a lively tune by the music department . It was a proud moment for the budding writers of Amity of different age groups when their book was launched by the Guest Of Honour , their Beloved Chairperson Ma'am. The programme culminated with the most awaited part – an interactive session wherein Chairperson Ma'am took questions from students. It was quite an enriching and delightful session for the students and staff alike as they imbibed invaluable lessons of life from their inspiring mentor. While interacting with the students, Ma'am stressed on the eternal values of life , specially love, respect and sacrifice which go a long way in building a happy life. She urged both the boys and girls to learn to support and respect each other right from early years and follow the qualities of sincerity in work and family. In response to a question on the future of Amity, she revealed her vision of seeing Amity campuses all over the world after capturing the imagination of people across the country.

Her answers reflected a woman of substance and a true visionary, thus making the day truly a Prerna Diwas.

## PLEDGE:

We the students of Amity/ bind ourselves/ in a solemn promise/to lead an ethical/personal and professional life./ We pledge to / unite without discrimination/ to help those in need/ to be kind/ to respect people/ to care for our Mother Earth/ to not engage in any kind of violence/ and consider Humanity as the prime religion./ May God help us/ in our endeavour / to create a / peaceful and healthy society!

*On Prerna Divas, the young Amitians got a chance to interact with their dearest Chairperson Ma'am. Excerpt of that interaction is as follows:*

## **Young Amitians In Conversation With Chairperson Ma'am, Dr. Amita Chauhan**

*In current times, when the entire world is witnessing lot of crimes, distortion of cultures and erosion of values, which values according to you as a leader of so many schools be necessarily taught to the young generation to make this world a better place?*

As an educationist and as the chairperson for various schools, I feel most importantly students need to be taught respect and compassion for their fellow human beings and humility.

*Amity has come a long way since 1991 , how and where do you see Amity in future?*

Amity has a very bright future. We want to see Amity Campuses all over the world. Currently, we have campuses all over India and campuses in Dubai, Singapore, London. We are in the process of opening a school in San Francisco and have been invited to open a campus in Netherlands. Amity is known for excellence and is sure to set a new benchmark in education.

*What is the story behind amity- the name? How this name came about? Any emotional anecdote associated with it, which you would like to share?*

We had a contest to decide the best name for the educational institute which we were planning to open. But the contest didn't give us any of the names we approved of. In one of the brain storming sessions in the family, the name Amity came up as it stands for peace and Friendship.

*As a woman leader, what will you like to suggest to young women aspirants as the mantra of success?*

These are difficult times for women. Women are expected to balance both the careers and home. Women need to learn the skills of home management, family management, behavioural management .Women also need to take out time for themselves to be happy.

*What, according to you, is the most promising profession for the youngsters of today?*

It should be entirely the choice of the individual. A person should choose career appropriate to his interests and passion. A career that doesn't have one's heart and soul into it cannot bring one the glory.

# FAREWELL

## PARTING NOTES

*By Nandini Sukhija, XII G, AISMV*

The venue was all set. The red carpet had been rolled out, the students and teachers had taken their positions, the silent and anxious faces looked on...and the grand gates opened. Young adults, all dressed to impress, flooded in into their red brick home as showering petals and warm smiles greeted them. Little did the outgoing batch know, they had an unforgettable experience awaiting them. Farewell 2018 had commenced.

One after the other, enthralling dance performances and musical melodies made the audience groove and sing along.

The batch decided that their Instagram feeds needed some major revamp, especially after the long and tiring boards exams. So, off they went to the Photobooth to pose frantically!

To add some more spice, the seniors were also made to play a number of games. The highlight was when girls wrapped their guy friends in saris, and the latter walked the ramp with attitude no less than that of a supermodel! Embarrassing photos from their childhood also made it to the fore during Guess Who, leaving everyone in splits.

Innovative titles such as “Sabki Pasand Nirma” and “Amity Ka Ranveer” were given away to the deserving candidates.

The euphoria came to a halt as the tribute video came into play. Nostalgia took the spotlight with the soon-to-be-alumni reminiscing about the good old days. Needless to say, teary eyes were witnessed in large numbers. The glamorous Farewell 2018 came to an end with the cutting of the mouth-watering cake. Who, after all, said that endings can't be sweet?

The young guns posing after getting the titles.

The beautiful damsels posing after winning the titles.

The outgoing batch making the memories.

The tiny tots performing for their mothers.

Regaling their mothers with their performances.

# MOTHER'S DAY

Students of class III,IV&V celebrated Mother's Day. It was celebrated with a lot of enthusiasm and zeal as students showcased their creativity and love through a bhajan, a dance performance, a skit. They organized games for their mothers too. The Chief Guest for the day was Dr Monisha Ahluwalia .She discussed the importance of inculcating the habit of reading in a child's life .Dr Monisha also emphasised the need of a close rapport between the mother and child. Our dearest Principal Dr Priyanka Mehta Ma'am also appreciated the mothers for spending their time with their children .She further shared a few innovative ways for further development of their children.It was an enthralling experience for one and all present there and the event was a great success with 100% participation.

हमारा मंदिर एमिटी

श्वेतांशी जोशी  
कक्षा 12(2018)

मम्मी पापा ने उंगली पकड़,  
हमें नर्सरी कक्षा में पहुंचाया ।  
एमिटी ने उन्हीं नन्हीं उंगलियों से ,  
जीवन संवारने की कला वाला हाथ बनाया ॥  
हम लहरों से घबरा जाते थे,  
लेकिन एमिटी ने तैरना सिखाया ।  
मेहनत करो आगे बढ़ो के मंत्र से,  
एमिटी ने मंजिल की ओर बढ़ना सिखाया ॥  
दया प्रेम की अनुपम शिक्षा से ,  
एमिटी ने मानवता का पाठ पढ़ाया ।  
देश प्रेम व बड़ों का सम्मान करो ,  
ऐसे संस्कारों से हमारा चरित्र सजाया ॥  
आज 12वीं कक्षा पास कर ,  
स्कूल जाने के नाम पर दिल भर आया।  
नमन है, अमिता मैम और अशोक सर को,  
जिन्होंने संस्कारों का मंदिर एमिटी बनाया ॥

Happy Birthday

Happy birthday Ma'am

Deep Chaterjee  
XII B

Mighty, we stand today, but why?  
Our knowledge always gave us  
power,  
So that before none we'd have to cower,  
But character? Respect it was,  
For all you've done, a noble cause

That's all our hearts are full of now  
Respect for you, dear ma'am, our light!  
You've guided us on the path that's right  
For us to choose in life, we'd say  
We'd like to wish you on your birthday

Happy birthday ma'am, we'll sing aloud  
Cause we are lucky to have you here  
A leader in our lives, you're dear  
To all of us, you give us hope  
Where we'd give up, we'd see no scope

You'd show the way when it gets dark  
You've built an institution tall  
That stands so firm, it cannot fall  
We children feel so proud to be  
A part of what it's like to see

Every child being treated the same  
Our teachers working hard for us  
And all we've done is make a fuss,  
That we want better, we don't get  
What we get here, most kids don't, yet.

So, on this note we'd like to say  
Our love for you cannot outweigh  
Your love for us, but still today  
On this occasion of your birthday,  
We'd all like to take a moment as say

Happy birthday ma'am  
Thank you for all that you've done for us!

# Happy Holidays

Dear Parents,

With summer break around the corner, let us prepare ourselves not just to relax and rejuvenate but also to sensitize and make our kids aware about the significance of being happy and successful in life. A strong family bond and a healthy social network can help a child cope up the tremendous academic pressure.

So it is a humble request to the parents to take interest in inculcating positive healthy habits and social values amongst kids through a few suggested activities. These activities will help kids engage with the society and foster warm relations. This summer let your child meet the child in you and together you explore and enjoy.

- Encourage kids to feed the sparrows by making bird feeders from cola bottles or by keeping some water in a container for them.
- Take them to a visit to an orphanage/ Old age home/ animal shelter.
- Ignite the spark in your child to bring out the best of his creativity and imagination and contribute positively
- Help them collect cola bottles, fill them up with ice cold water and distribute amongst the underprivileged living on roads /streets
