

Annual Report (2024-25)

At Amity, we believe that a school is not merely a building of brick and mortar but a sanctuary of ideas, innovation, and inspiration. It is a place where the seeds of curiosity are sown, and the pillars of character and competence are built. During the academic year 2024-25, the school continued to strive towards innovation and the latest practices in the field of pedagogy were being continuously incorporated. Value based education, life skills training, experiential learning and service to society were intertwined with the holistic curriculum.

4. Elementary Grade Drawing Examination

Our students excel not only in academics and sports but also in the arts. Outstanding performances in the Elementary Grade Drawing Examination, organized by the Maharashtra State Board of Art Education, were achieved by Hitanshi Jha, Srisha Powale, Riya Mehra, Tanush Panda, and Aarya Gurav.

5. Cambridge English Assessment

The Cambridge English Assessment, designed to enhance practical English skills in reading, writing, listening, and speaking, saw outstanding participation in the 2024-25 session.

In the Young Learners category, 24 students earned the prestigious Five Shields distinction, receiving trophies for their exceptional performance. Additionally, we proudly acknowledge 29 distinction holders across the KET, PET, and FCE exams, with 3 students receiving trophies for demonstrating remarkable proficiency and success.

These achievements highlight our students' dedication and the school's unwavering commitment to fostering global communication skills. Aligned with our vision of nurturing global citizens, these accomplishments stand as a testament to the excellence and determination of our learners.

6. Field Trips and Excursions

Beyond academics and co-curricular activities, we also provide our students with enriching excursions, including field trips to places like post offices and markets for our young learners, as well as Rocksport picnics. These experiences offer valuable hands-on learning

opportunities, fostering their overall development and broadening their understanding of the world.

7. Student-Centric Initiatives /Student Development and Leadership

At Amity International School, Navi Mumbai, we embrace the Indian Social and Emotional Learning Framework (ISELF) and are dedicated to fostering student well-being through counselling and leadership programs that address critical challenges. With a focus on personal growth, we provide support to build resilience and emotional intelligence, especially for Grades 9 and 10 through our Mentor-Mentee Program, offering personalised emotional support to help them navigate their heightened emotional support ensuring well-rounded development in today's fast-paced world.

8. Skill Development Programs

At Amity, we are deeply committed to equipping our students with the skills and knowledge they need to succeed in an ever-evolving world. Aligned with the National Education Policy (NEP), we have incorporated contemporary, skill-based subjects such as Design Thinking, Financial Literacy, and Artificial Intelligence into our curriculum, ensuring our students are well-prepared for the challenges and opportunities of the future.

9. Interact Club

AIS Navi Mumbai proudly launched its first Interact Club on January 5, 2024, a Rotary-sponsored service club for students aged 12-18. The club empowers young members to lead and organize impactful service projects, fostering leadership, initiative, and social responsibility.

With 37 members from Grades 8 to 10, the Interact Club has already undertaken initiatives like a school composting pit and a herbal garden. Their upcoming e-waste collection project aims to promote sustainability, with parents' support crucial to its success. Through these efforts, the club equips students with life skills and the tools to contribute meaningfully to society.

10. Additional Initiatives

- **Parent and Child Together (PACT) & DEAR Programme**
"Drop Everything and Read" (DEAR) and PACT (Parent and Child Together), the initiatives taken by the school to promote reading amongst all members of the school were executed well.
- **Cambridge English Young Learners Programme**
To build confidence and lay a strong foundation for future studies in English, Amity has collaborated with Cambridge to run Young Learners examination for classes 1 to 4 and KET/PET/FCE for the middle and senior students.
Second Cambridge English Examination was successfully conducted by the external Cambridge examiners and internal invigilators following all safety protocols and procedures.
- **Wellness Sessions**
To enhance the social and emotional wellbeing of the students and help students to be able to deal with challenges effectively, wellness sessions are organised.

- **Enrichment Classes**

The school takes the initiative in organizing remedial classes to achieve expected competencies in core academic skills regularly.

11. Internal Complaint Committee

For the safety of the children, the school has formed committees like CPMC & POCSO to enhance the general awareness and prevent child abuse.

12. Parents' and Teachers' Association:

A General Body Meeting of parents is held on a regular basis and new members of the PTA were nominated for the year 2024-25. The PTA members of our school are closely involved in most academic activities. We thank and congratulate them for their support and co-operation through the years.

13. Parent Teacher Meeting

Parent teacher Meetings are held regularly and the parents were apprised on the progress of students' academic strengths and weaknesses. The final PTM for the academic year 2024-25 was held in March.

In conclusion, this school year's annual report reflects our collective dedication to academic excellence, fostering a positive learning environment and nurturing the holistic development of our students.

14. Future Goals and Roadmap

With immense pride, we are delighted to announce that our journey of academic excellence is taking a significant leap forward as we prepare to inaugurate our very first Class XI with all 3 streams commerce, science and humanity. This milestone marks a new chapter in our commitment to nurturing future leaders and innovators. We are excited to introduce the prestigious SYNCHRO Programme, launched by AICE, an integrated Science program designed specifically for Grade XI students to prepare for competitive exams after Class XII. Conducted on campus after school hours by AICE's esteemed experts, this initiative provides a solid foundation for academic excellence, reaffirming our commitment to empowering students with the skills and knowledge to confidently pursue their future aspirations.
