AMITY INTERNATIONAL SCHOOL, PUSHP VIHAR

**Dr.(Mrs.)Amita Chauhan**

## Visionary Par Excellence

My Amitians, have a passion for always being at the top. These stars shine at everything they do as they do it with tenacity and resolve. They uphold the traditional values of Amity and of the ideal of BHAAG with perfect elan.

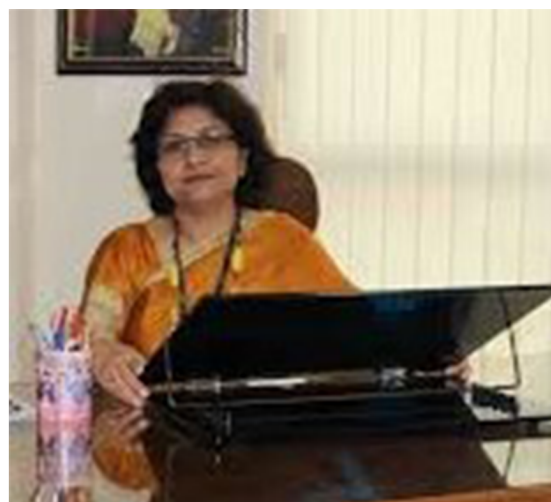

Today, as they ignite the spirit of knowledge and respect, whilst paying homage to the unsung heroes of the country, I am sure that they will leave no stone unturned to become heroes of the coming era.

I wish all the best to the team of Amity International School, Pushp Vihar on the launch of newsletter. I am sure they will always make me proud. As I have always said, "My Amitians are the best!"

## Principal's Message

A school is a mirror of the values imbibed by its students. My children, my pride and joy, have always shown devotion to the vision of our beloved Chairperson Ma'am and their relentless perseverance to achieve their goals is truly extraordinary. This would not be possible without the hard work and dedication of the teachers. I am sure that these young Amitians will carry forward the legacy of Amity and will leave their mark in history.

This Annual Day, as they showcase the lives of unsung heroes, the unspoken legends of the country, I believe, that they themselves hold the power to become one. As we unveil our own newsletter on this momentous day, I would like to give my blessings to the team behind its inception. I am sure that this newsletter will be a true insight into the workings of the School and its achievements.
