Ref. No.: ISHMO/LE-SE/2024-25

Date:- 09.07.2024

**STRUCTURAL STABILITY CERTIFICATE**  
**TO WHOMSOEVER IT MAY CONCERN**

Certified that I have personally inspected the existing Senior Secondary School Building of Amity International School located at Sector 7, Birla Niketan Pushp Vihar, New Delhi, belonging to M/s Inderprastha School Society.

The Total Plot area is 9627.47 Sq. Mt.

The existing building consists of Basement, Ground Floor, First Floor, Second Floor, Third Floor and Fourth Floor and a basement parking under the playfield. The existing building was constructed during 2006 and the fourth floor, Rear Block and basement parking were constructed during 2020.

The existing construction is a framed structure and constructed with RCC Isolated Footings, RCC walls, and RCC beams and columns tied with each other.

During site inspection no cracks on slabs, columns and beams were visible and also there was no deflection at the time of inspection.

As per the structural drawings shown by the owner and site inspected by me, my opinion is that the structure is safe and sound for its permissible use including safety from natural hazards.

This certificate is valid for a period of 2 years.
