# AMICREST

*Amity International School, Saket*

# Dr (Mrs.) Amita Chauhan

## Chairperson, Amity Group Of Schools

**"युवानां चेतनानां च शिशोः सम्प्रसादनात् तु।  
सत्यधर्मादयः शिक्षेत् बाल्ये सर्वोत्तमे समे॥"**

Values are the cornerstone of our institution. They are not just mere words; they are the guiding principles that shape your character, ethics, and path in life. At Amity, we are committed to nurturing values like integrity, respect, empathy, and perseverance in each one of you. The BHAAG formula- Behaviour, Hardwork, Ambition, Attitude, and God propounded by our Founder President is the credo of Amity. It is the responsibility of individuals to metamorphose the term and idea of 'human values' to hard-core implementation in every small or big way possible to be able to contribute to nation-building.

In an era of rapid technological advancements and complex global challenges, the importance of values cannot be overstated. Amity recognizes the fact that academic excellence alone is insufficient. Our students must graduate not only as knowledgeable individuals but also as responsible, empathetic, and ethical citizens. This holistic education ingrained in value-based learning is what ensures your all-round development and growth, my dear students.

Our teachers, mentors, and staff are here to guide you, not just in your academic pursuits but also in your journey of character development. Their commitment to instilling these values is unwavering, and they are here to lead by example. But remember, values are not confined to the classroom. They are woven into the very fabric of your life, both within and beyond our school. You, my dear amitians, are the future leaders and the values you embrace and uphold will shape the world you are about to enter.

# Ms. Divya Bhatia

## Principal, Amity International School, Saket

Amicrest for our school is not just a collection of words and images; it is a testimony to the values that guide us, the principles that define us, and the character that distinguishes us as a community. It is through our values that we derive our strength, find our purpose, and inspire our dreams. We constantly find ourselves exploring a theme at the core of our institution of values and how they shape the essence of the Amity Schools. Let us remember that values are not just theoretical concepts but the very pillars that support a harmonious and successful society. The values you embrace today will become the foundation upon which you build your future, and they will guide you toward becoming responsible, empathetic, and ethical individuals. Values are, after all, the soul of our school, the heart of our community, and the driving force behind all our endeavors.

I extend my profound gratitude to our revered Chairperson, Dr. Mrs. Amita Chauhan ma'am, and our visionary Founder President, Dr. Ashok K. Chauhan sir, for their unwavering commitment to nurturing an environment where values matter. Their guidance and leadership have been the bedrock upon which our school stands today. Their unwavering commitment to educational excellence has steered our school to new heights, and we are privileged to have their wisdom and leadership shaping the path we tread.

To all the students, as we journey through the pages of Amicrest, let us remember that our values are not just words; they are the actions, the choices, and the decisions that shape our lives. They are the compass that guides us through the often complex and tumultuous sea of existence.

I am immensely proud of our students who have dedicated their time, passion, and creativity to bring this newsletter to life. The art, creative work, achievements, and writings within these pages reflect the rich tapestry of our school's culture. It is your voices, your expressions, and your individual stories that define the heart of Amity.

# EVENTS

# ANNUAL PRIZE DISTRIBUTION (PRIMARY)

The Annual Prize Distribution is an occasion where academic and cocurricular excellence is acknowledged and celebrated. The event motivates everyone to work towards excellence as small daily improvements over time lead to stunning results. Dr (Mrs) Amita Chauhan, Chairperson of Amity Group of Schools, graced the occasion on the Jr prize distribution and she blessed all the achievers. Our guests for the day- Ms Asmita Chakraborty, an alumna: An architect by profession and Miss India Tourism, Mr Ankit Chauhan - IPS, Addl Dy Commissioner, Delhi Police, Prof Indrakant - Professor Dept of Zoology and Head DBS I4 Centre, Deshbandhu College motivated the children with their presence and words of wisdom.

Congratulations to all the winners and their parents for always supporting the endeavors of their children.

# FANCY DRESS ACTIVITY 'HEALTHY FOOD AND JUNK FOOD'

Amity believes in the all-round development of our children which focuses on nurturing every facet of a student's personality. In view of this, the KG class organized a fancy dress activity 'Healthy Food and Junk Food' to help the little ones develop cognitive skills and boost their confidence. Our tiny tots participated enthusiastically, dressed up as their favorite food (healthy food or junk food) speaking a few lines about their choices. It was indeed learning with fun!

# INDEPENDENCE WEEK

## *Learning, Growing, Celebrating Independence!*

Celebrating Independence Week in School - as we celebrate the freedom that we enjoy today, we also remember those who made it possible. One of the key aspects of Independence Week in schools is the remembrance of the freedom fighters and leaders who played pivotal roles in the fight for independence. Students are educated about the lives and contributions of figures like Mahatma Gandhi, Jawaharlal Nehru, Subhas Chandra Bose, and many others. They learn about the sacrifices made, the hardships faced, and the unwavering commitment to the cause of freedom.

# JANMASHTAMI CELEBRATIONS

On the occasion of Krishna Janmashtami, the tiny tots of Nursery dressed as cute Kanhaiya and beautiful Radha. It was beautiful as the Nursery came alive with colorful and lively Jhankis from Lord Krishna's life. Amidst the festivities, the children had a great time decorating matkis, the clay pots, which hold a special significance in the story of Lord Krishna's childhood. Their faces were filled with excitement and joy as they worked on their creations. Janmashtami ended up being not just a festival, but a celebration of life, love, and devotion.

# VASUDHA SCIENCE EXHIBITION

Vasudha - a science exhibition that is organized every year where all children from Nursery to class V work on a scientific concept and demonstrate their scientific acumen by putting up their projects. This ignites the minds of the young learners and encourages them to explore, discover, innovate, and create. It also enhances their confidence and public speaking skills. All the guests appreciated the skills showcased by our children and participated enthusiastically in their journey of exploration and discovery.

# VISIT TO THE NATIONAL RAILWAY MUSEUM

Our tiny tots from KG class went on an excursion to the Railway Museum. They were super excited to see and learn about so many old engines and their functions. The little Amitians thoroughly enjoyed the toy train ride and the small tunnels during their fun-filled ride. Their happiness was evident from their shouts of joy. They also enjoyed a tasty snack in the beautiful garden at the museum. It was a wonderful and memorable journey for our kids.

# SCIENCE EXPERIMENTS

*"I hear and I forget. I see and I remember. I do and I understand." - Confucius*

We at Amity believe that experiential learning is the best way for lifelong learning and we begin young. Our junior student council conducted science experiments for students of class 2, which were thoroughly enjoyed by them. It gave them a wonderful glimpse into the world of science and enhanced their inquisitiveness to deliver further into the explorative realms of sciences.

# CYBER BUDDIES WORKSHOP

In response to the escalating prevalence of social media usage, it has become increasingly crucial to equip children with the knowledge to harness its benefits while ensuring their safety in the cyber realm. To address this need, a Cyber Buddies workshop was recently organized by Ms. Nandini Juneja and Ms. Monika from ACERT for students in classes VI and VII. This workshop provided valuable insights and practical guidance, fostering a positive and informed approach to navigating the digital landscape. The participants found the experience to be an enriching learning opportunity, gaining essential skills and awareness to navigate the online world responsibly and safely.

# INSPIRE MANAK EXHIBITION

Selected students showcased their innovations at the 10th National Level Exhibition and Project Competition (NLEPC) of INSPIRE– MANAK (Million Minds Augmenting National Aspirations and Knowledge), which was inaugurated by Secretary DST, Prof. Abhay Karandikar at Indira Gandhi Indoor Stadium, Delhi, on 9 October 2023. He interacted with the students who explained their innovations, speaking about their inherent merit to all visitors and jury members. Our students visited the exhibition and were motivated to make our country the hub of innovation.

# TRIP TO NATIONAL SCIENCE CENTER

Students of classes VI and VII visited the National Science Centre. They were amazed at the wonderful demonstrations there and enjoyed thoroughly. As they stepped into the fascinating world of science, their curiosity and wonderment knew no bounds. The Centre's captivating demonstrations and interactive exhibits left the students in awe, sparking a newfound enthusiasm for learning. They explored intricate scientific principles in a playful, hands-on manner, making education a delightful adventure. This journey of discovery was not just educational but also a joyful escapade, blending the best of learning with fun and fostering a deeper appreciation for the world of science among the young minds.

# स्वच्छ भारत, स्वस्थ भारत!

Our students actively participated in the Swachh Bharat Abhiyaan. Through their active participation, our students not only contributed to cleaner surroundings but also imbibed a sense of civic responsibility and community service. They demonstrated that the Swachh Bharat Abhiyan is not just a government initiative but a collective responsibility that requires active involvement at all levels of society. Their dedication served as a shining example of how the youth can be powerful agents of change, creating a cleaner and healthier nation for all.

# WORKSHOP ON “SAY NO TO BULLYING”

Under the futuristic vision of Dr. (Mrs) Amita Chauhan, Chairperson, Amity Group of Schools, Karam Sapra, a student of class XII of Amity International School, Saket has created an Anti Bullying Learning Aid Deck “My Buddy” which encourages kids to be educated, aware, present and mindful of the effects and consequences of bullying. Under the guidance of our principal Ms Divya Bhatia and the supervision of the school counselor Ms Rubina, he conducted a fruitful session with the middle school kids. He will be collaborating with other Amity Schools and government schools to conduct these sessions.

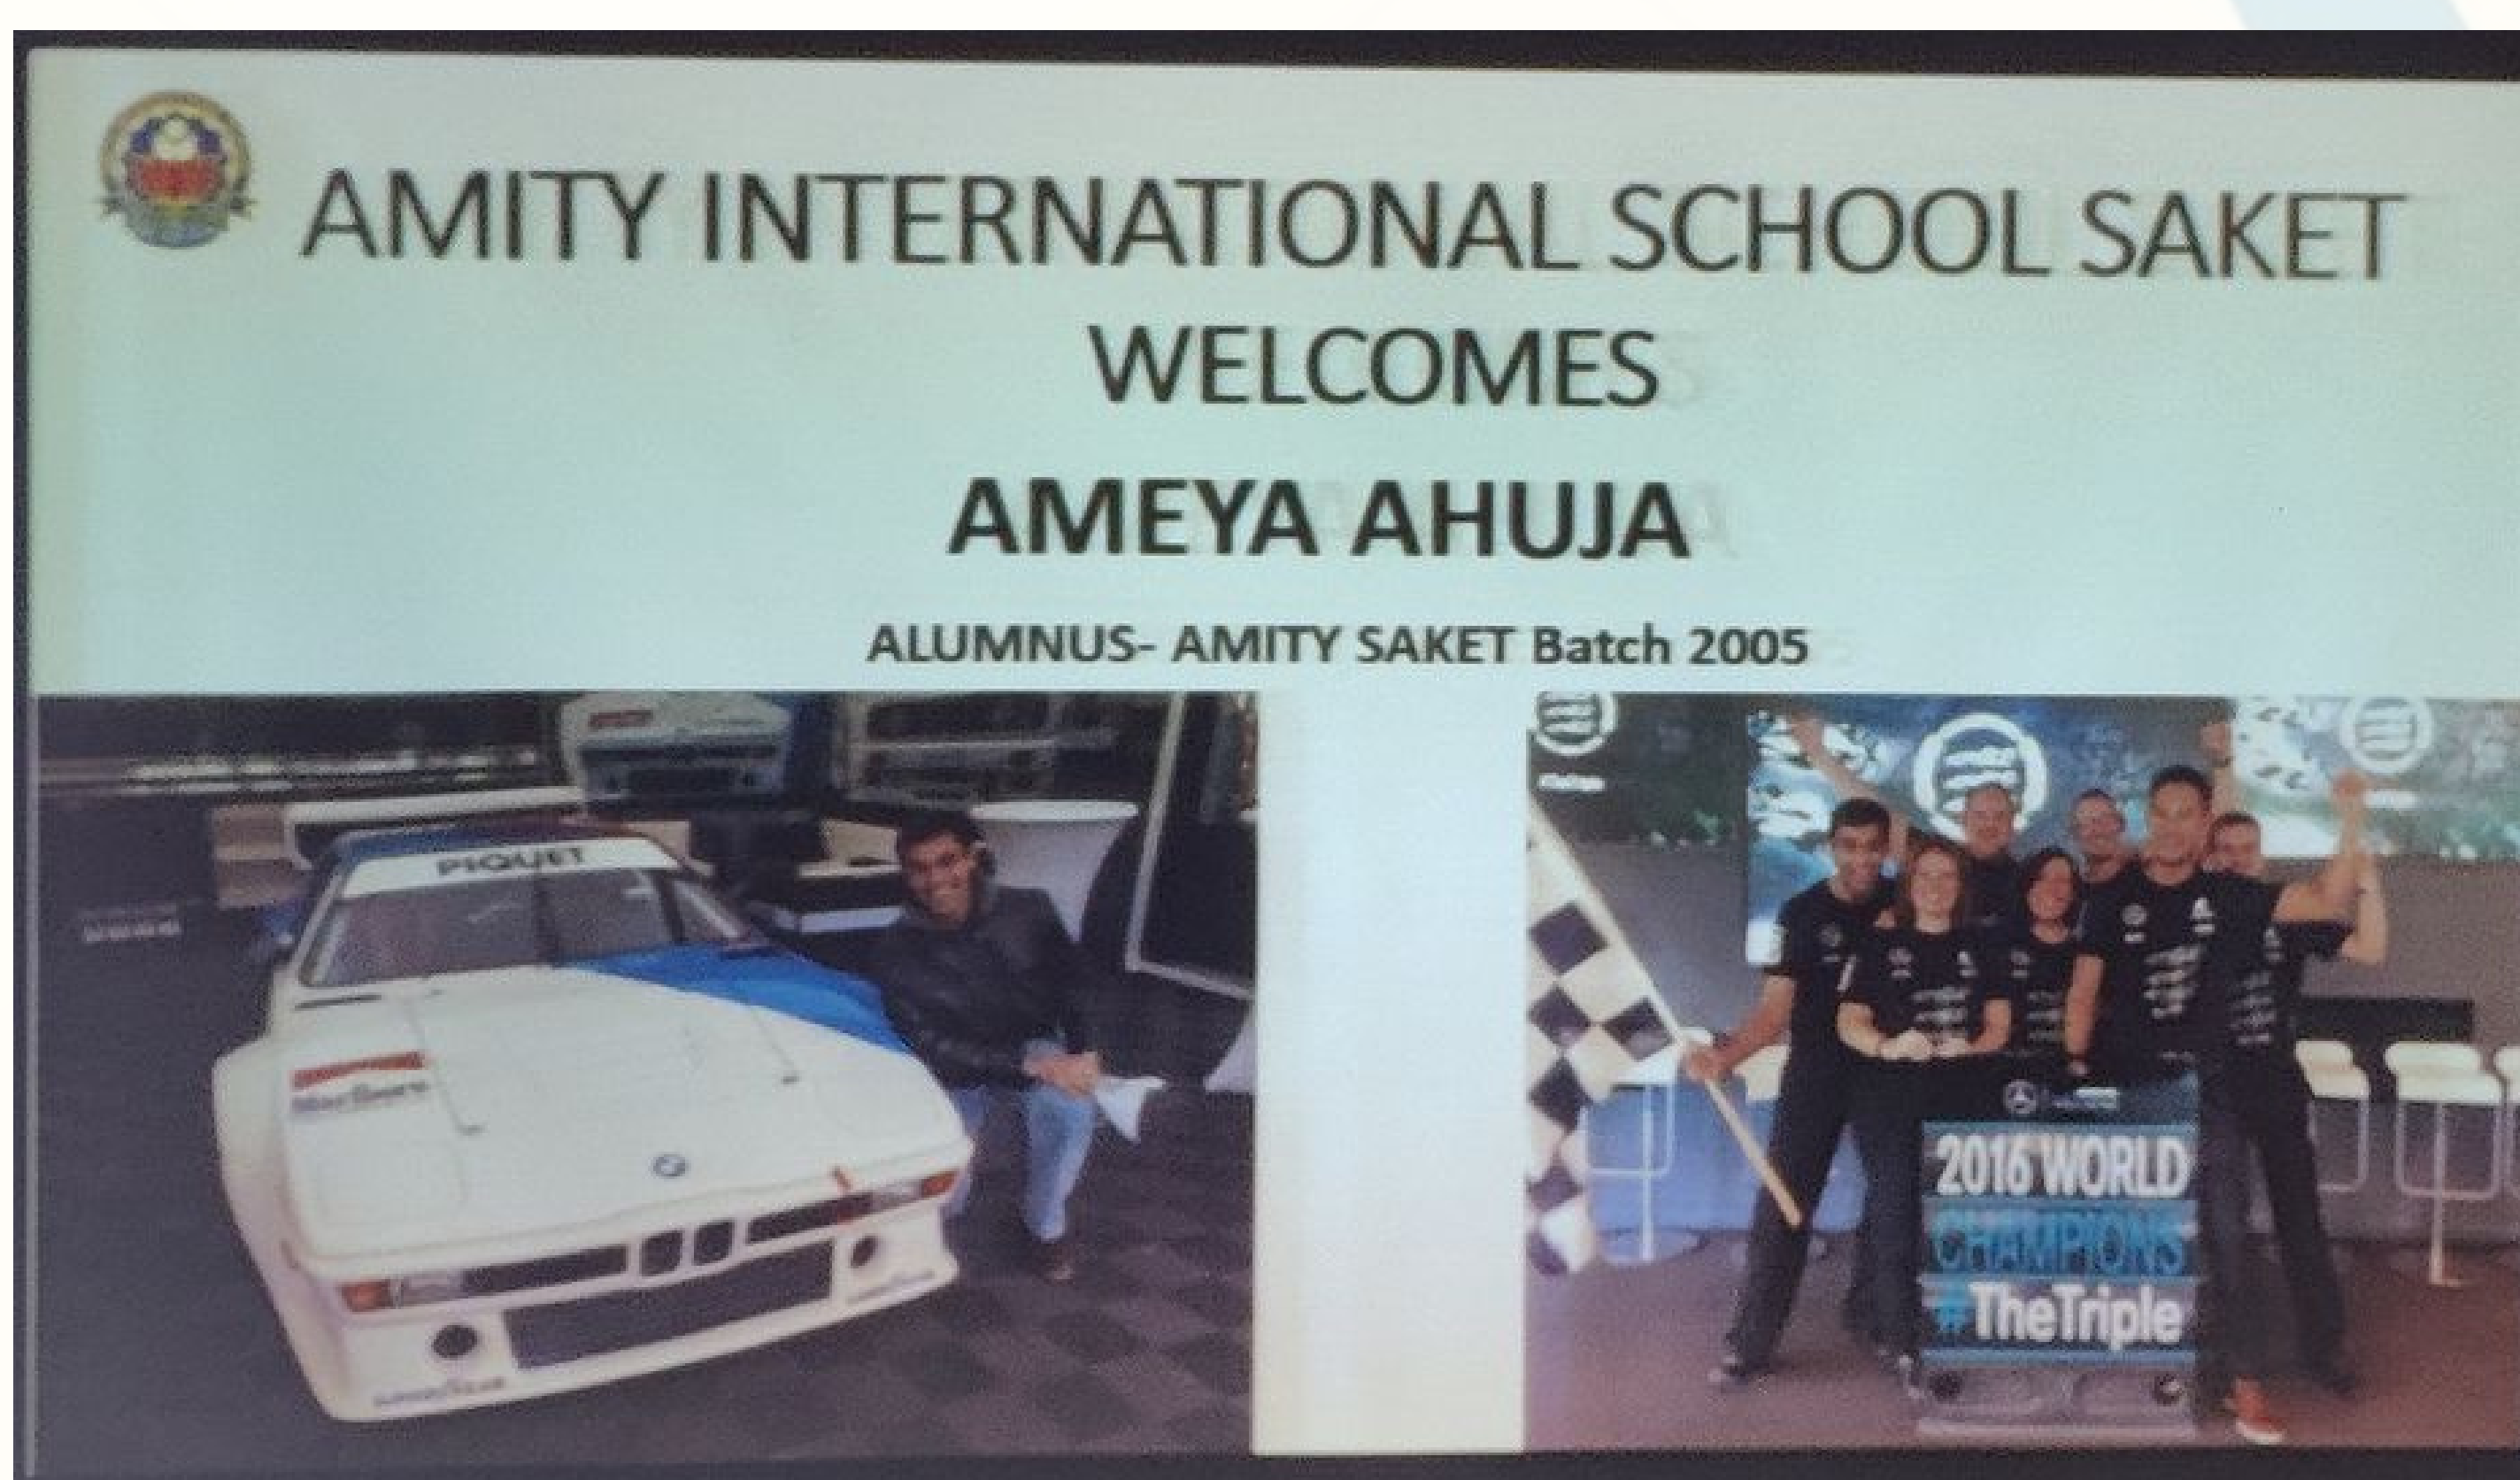

# ANUBHAV SERIES

~*Ameya Ahuja*

Mr Ameya Ahuja, an alumnus of our school, batch 2005, interacted with students of class XI and XII and also students who are participating in F1 for schools. Currently, Ameya is an engineer with Mercedes-AMG Petronas, working on developing one of the three Hydraulics systems on the America's Cup AC75 Yacht (37th America's Cup taking place in Barcelona 2024).

His interest, passion, and patience captivated the students and motivated them to follow their dreams and be happy in life. Thank you Ameya for being there for our children and helping them understand the intricacies of the wonderful sport.

# ANUBHAV SERIES

*~Dr. Deepak Kumar*

Dr Deepak Kumar, a Senior Digital Forensic and Cyber Intelligence professional engaged with the Cyber Crime Coordination Centre of the Ministry of Home Affairs, New Delhi, conducted a workshop on Cyber Crime and Cyber Bullying for students of classes IX to XI. He apprised the students of the boons and bane of cyber and keeping themselves safe in the cyber world. Parents were also invited to join the session in an online mode. Overall, the workshop was a great success and left a lasting impact on the students and teachers who attended. It served as a reminder of the importance of staying safe and responsible in the digital age.

# ANUBHAV SERIES

## ~Ms. Muskan Dhawan

A hybrid workshop on 'Nutritional Health and Well-Being' targeted teachers and parents of students in classes VI to IX. Led by nutritionist Ms. Muskan Dhawan, it covered the importance of a balanced diet, dispelled food myths, and addressed coping with stress and the allure of junk food in today's age. The session aimed to equip participants with practical insights for promoting a culture of nutritional awareness in the school community.

# BREAKOUT '23

'BREAKOUT 23' marked another triumphant year of the meticulously organized musical extravaganza at Amity Saket. The event attracted enthusiastic participation from 22 schools across Delhi and the NCR region. The musical journey, featuring exceptionally talented performances, garnered widespread acclaim from our discerning judges. In the culmination of this melodious celebration, the prestigious Rolling Trophy was deservedly claimed by DPS, RKP. This annual event not only showcases the remarkable musical talents of our youth but also promotes camaraderie and a love for the arts among schools in the region. Kudos to all participants and congratulations to the deserving winners!

# CAREER COUNSELLING SESSIONS

Under the dynamic leadership of our Hon. Chairperson Dr. (Mrs.) Amita Chauhan, Amity Career Counseling & Guidance Cell organized a "Student and Educator Meetup" in collaboration with the College Board on Fri, 13 Oct' 23, at Amity International School, Noida.

The event saw participation from the World's TOP-Ranked Universities:

## College Board Student and Educator Meet up with Global Universities

October 13, 2023  
Amity International School, Noida

### Participating Universities

# ECOMITE' 23

India stands poised to ascend as one of the globe's swiftest advancing economies and the demand for adept managerial professionals is escalating which necessitates the cultivation and nurturing of these proficiencies amongst students. In line with the visionary ethos of our esteemed Chairperson Ma'am and Principal Divya Bhatia Ma'am, the school's Commerce and Economics Department along with the Economics and Finance Society Rebus organized an IntraSchool event "ECOMITE" which featured four competitions - Economics Symposium, Game Plan, Poster making and Ad acting - where students of classes IX and XI participated. The event was judged by our worthy alumni - Madhav Sharma, Yashvardhan Jain, Niharika Roy, Divyaansh Seth, Samarth Sachdeva, Asyah Kapur, Akarshita Mishra, and Saumya Asthana. Congratulations to all the participants and the organizers.

# INSTALLATION CEREMONY INTERACT CLUB

The Interact Club Installation Ceremony at Amity Saket was a resounding call to action. Their message was clear: be proactive, shoulder responsibilities, and work earnestly to effect positive change in the world. With a commitment to "Service above Self," the members of the Interact Club pledged to carry out their duties and responsibilities with utmost dedication. This ceremony marked the beginning of their journey towards making the world a better place to live through selfless service and community engagement. It's an inspiring step towards fostering a sense of social responsibility and civic duty among our students.

# A VISIT TO THE LOK SABHA

A trip to witness the Lok Sabha session today was organized for students of classes XI and XII.

The session was enthralling and our students were able to witness the tabling of a historical bill by the Honourable Home Minister of India - Mr Amit Shah.

The session saw a galaxy of ministers - Mr. Rajnath Singh, Mr. Piyush Goyal, Ms. Supriya Sule, Dr. Shashi Tharoor, Mr. Manish Tewari, and many more.

We extend our gratitude to Mr. Piyush Kanti for the meticulous arrangements and planning. It was indeed a wonderful trip.

# NATIONAL STUDENTS PARYAVARAN COMPETITION'23

It was a privilege to conduct the felicitation ceremony of the National Students Paryavaran Competition (NSPC 2023) in school today. The top 14 schools of District South under the NCT of Delhi were felicitated by Dr A K Tyagi, Dy Director of Education, District South, for their brilliant performance of undertaking different activities and organizing various programs to conserve and protect the environment:

- Water Management, Elimination of Plastic and Biodegradable Material Usage
- Discourage felling of trees and encourage plantations
- Emphasizing on reuse and recycling of natural resources
- Creating awareness towards climate control initiatives through education

Our school was runner-up in the competition. Congratulations team Amity Saket, kudos to our eco club Incharges Ambreen Ma'am, Namita Ma'am, and Anupama Ma'am along with their green brigade - GREEN THUMBS!

# PLASTIC WASTE DRIVE

*“Our past we cannot erase. Our future needs less waste.”*

With the motive to create awareness and be part of the solution, a plastic waste collection drive was conducted by the Eco club of our school in association with Indian Oil Corporation Ltd, our school's interact club under the Anubhav series. The drive was conducted within the school premises and at the J Block Market. We pledge to keep working towards creating a pollution-free world for the generations to come.

# PRIZE DISTRIBUTION (SENIORS)

*"Success is the sum of small efforts, repeated" - R. Collier*

The Annual Sr prize distribution was an occasion that celebrated the resilience, dedication, and hard work of our children in achieving milestones - in academics and co-curricular activities. It keeps everyone motivated to achieve higher goals in life. The event was graced by Dr. A.K.Tyagi, Directorate of Education, District South, and Mr. Satya Vijay Ram, Director Lok Sabha Secretariat. They applauded the achievements of our children and blessed them to be happy and successful in all their endeavors. Congratulations to all the winners and their parents who were there to celebrate the happy moments together.

# QUIZZAT 2023

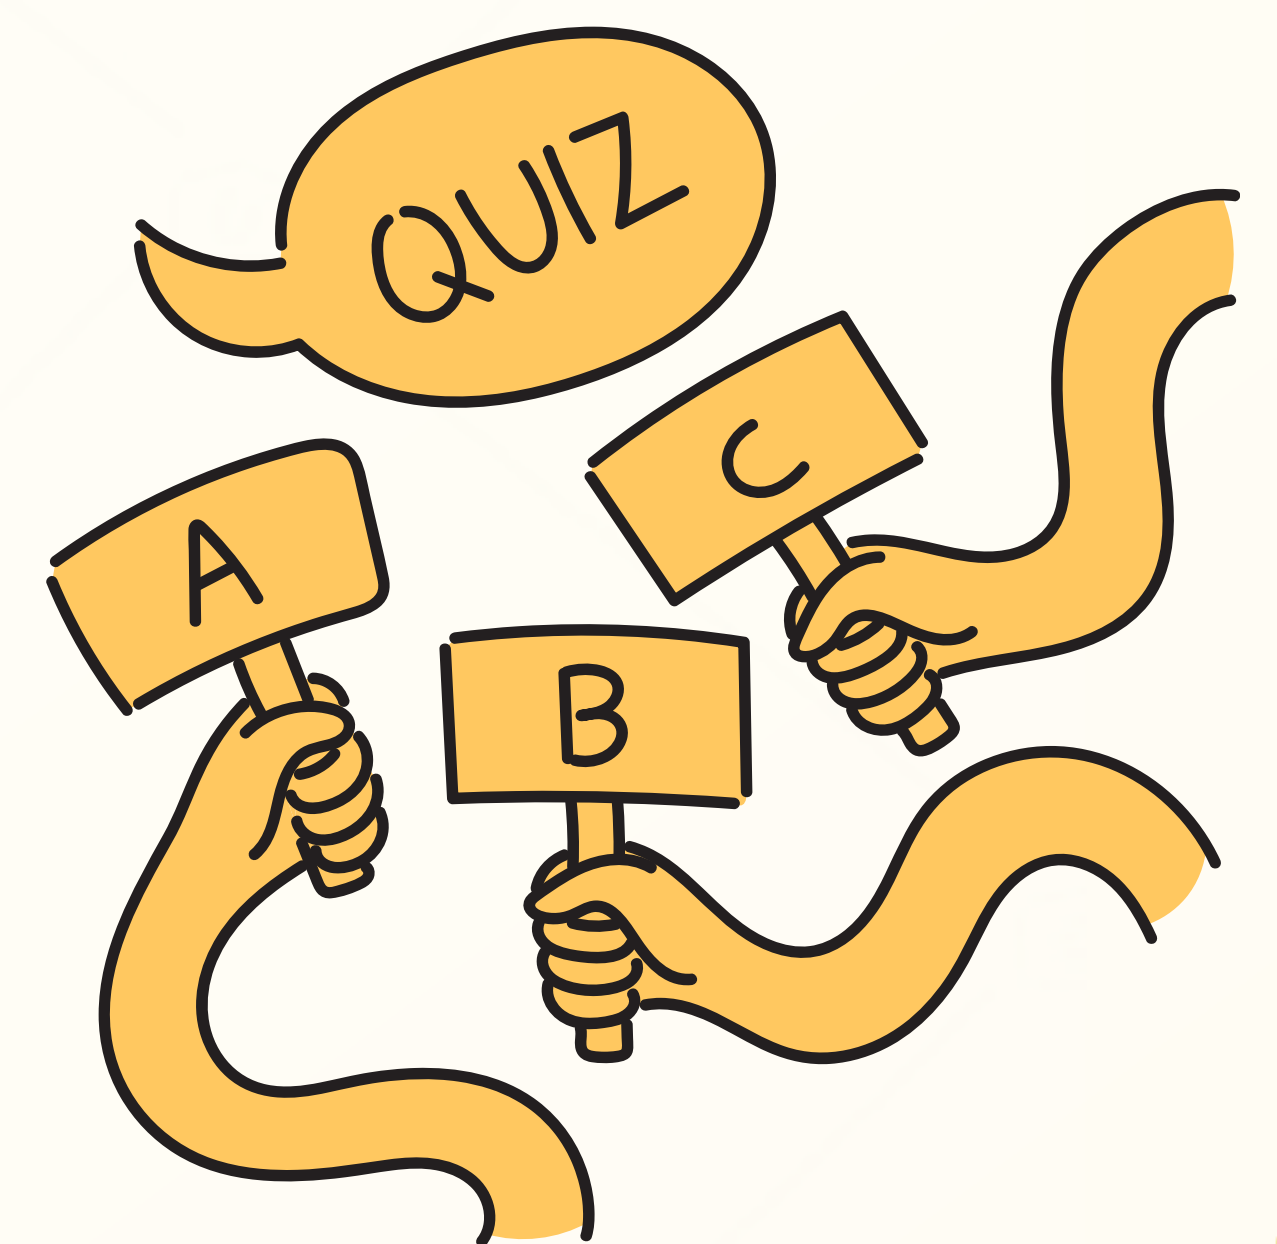

'Quizzat'23 - Amity Saket's annual quizzing competition saw enthusiastic participation from **52 schools** across Delhi NCR.

The two-day event was wonderful and had the avid quizzers competing brilliantly on G-20 and member nations and a general quiz, vying for the coveted rolling trophy.

The rolling trophy was bagged by DPS, Greater Noida. Congratulations to the winning team and all the winners of Quizzat.

Thank you Mr Aditya Nath Mubayi - our brilliant Quiz Master, Ms Mudita Mubayi, and the entire Quizcraft team for the enthralling quiz that challenged us all.

# POTLUCK PALETTE (SYNCHRO STUDENTS)

Taking a break from the rigors of Physics and Chemistry, our synchro students at Amity Saket discovered the joy of stress relief through cooking their favorite dishes. This culinary adventure not only provided a welcome respite from academics but also fostered a sense of camaraderie and the culinary arts. It's a testament to the importance of finding enjoyable and relaxing activities to counter the pressures of academic life.

# WORLD MENTAL HEALTH DAY

*‘Mental health is a universal human right.’*

With this theme of World Mental Health Day, the Interact Club along with the school's psychology club **Amicredence** under the Anubhav Series organized an interactive session on the topic of destigmatizing Mental Health with Ms. Bhumika Arora, counselling psychologist at Fortis Healthcare. The session aimed to provide the students with an opportunity to understand stresses and how to effectively deal with them. Parents also joined the session in an online mode. It was a beneficial session for everyone.

# ECOMFORUM 2023

India is poised to become one of the world's fastest-growing economies, which is increasing the demand for skilled managerial professionals.

In recognition of this need and in line with the vision of our Founder President, Dr. Ashok K. Chauhan, and Chairperson, Dr. (Mrs) Amita Chauhan, Amity International School, Saket along with the school's economics society Rebus hosted the 26th edition of the Inter-School Economics & Commerce event "ECOMFORUM".

The events:

1. SYMPOSIUM - addressed various current issues such as the India-Canada FTA Trade Bill, India's G-20 Leadership, America's Fiscal Woes, the Belt & Road Initiative, and Pakistan's Economic Situation.
2. WISDOM WAND - a startup competition with a social cause.
3. FINTOONS - involved creating financial cartoons on the topic: "AI Juggernaut Rolls on: Creator or Destroyer?"

We are indebted to our judges,

Prof. O.M Aggarwal, Dr. Nisha Gupta, Ms. Vira Sharma, Mr. Shankar Bose and Ms. Pooja Khanduja.

The Rolling Trophy was bagged by Amity International School, Noida. Congratulations!

# COLLABORATIVE DYNAMICS FOR MUN!

In a bid to sharpen the debating prowess of our adept students, a Model United Nations (MUN) training session was recently conducted in school. Modeled after the prestigious Oxford MUN, the simulation aimed to further enhance students understanding and refine their skills in diplomatic discourse. The session proved to be a resounding success, with students actively engaging. This initiative aligns with our commitment to nurturing and fostering the talents of our accomplished debaters, who consistently secure awards in various MUN competitions.

# AMUN'23: INSIGHTS AND HIGHLIGHTS

MUN organized by Vincere Society - our school's MUN society, for classes VIII to X, had interesting and intense debating as children shared their ideas in their committees. The two-day session ended with the delegates being awarded for their brilliant contribution to the debate. MUN events cover a wide range of global issues, including climate change, human rights, peace and security, trade, and more. These topics are addressed in specialized committees that mirror UN bodies like the General Assembly, and Security Council, or specialized agencies such as the World Health Organization.

# INDEPENDENCE DAY CELEBRATION

Celebrating Independence Week in School - as we celebrate the freedom that we enjoy today, we also remember those who made it possible. Independence Day at Amity International School, Saket was a grand celebration of India's hard-earned freedom. The entire school community assembled in the lush school grounds, adorned in the tricolor, where the national flag was hoisted with great reverence, and the day featured spectacular cultural performances, impassioned speeches, and a palpable patriotic spirit, leaving an indelible mark of pride and unity among all in attendance.

# SANSKRIT DIVAS

Guided by the visionary leadership of Dr. Amita Chauhan, Amity Saket continues its unwavering commitment to promoting Sanskrit and Hindi languages. Recently, the school celebrated its 17th Sanskrit Day on August 29th in the school auditorium with great enthusiasm.

The event featured Professor Dr. Pankaj Kumar Mishra from Delhi University's St. Stephen's College as the chief guest. Ms. Jyoti Aroda, the Director of Amity Educational Research Center, and former St. James School student, Daniel, also graced the occasion alongside Chairperson Amita Chauhan.

The program commenced with the traditional lighting of the lamp and Vedic mantra recitations. Students from Class 5 eloquently recited Sanskrit verses with meanings. Additionally, Kushagra Singh Rajput (Class 8) and Agrim Bansal (Class 7) delivered captivating renditions of verses from Bhartrihari's 'Neeti Shatakam,' adding to the cultural richness of the celebration.

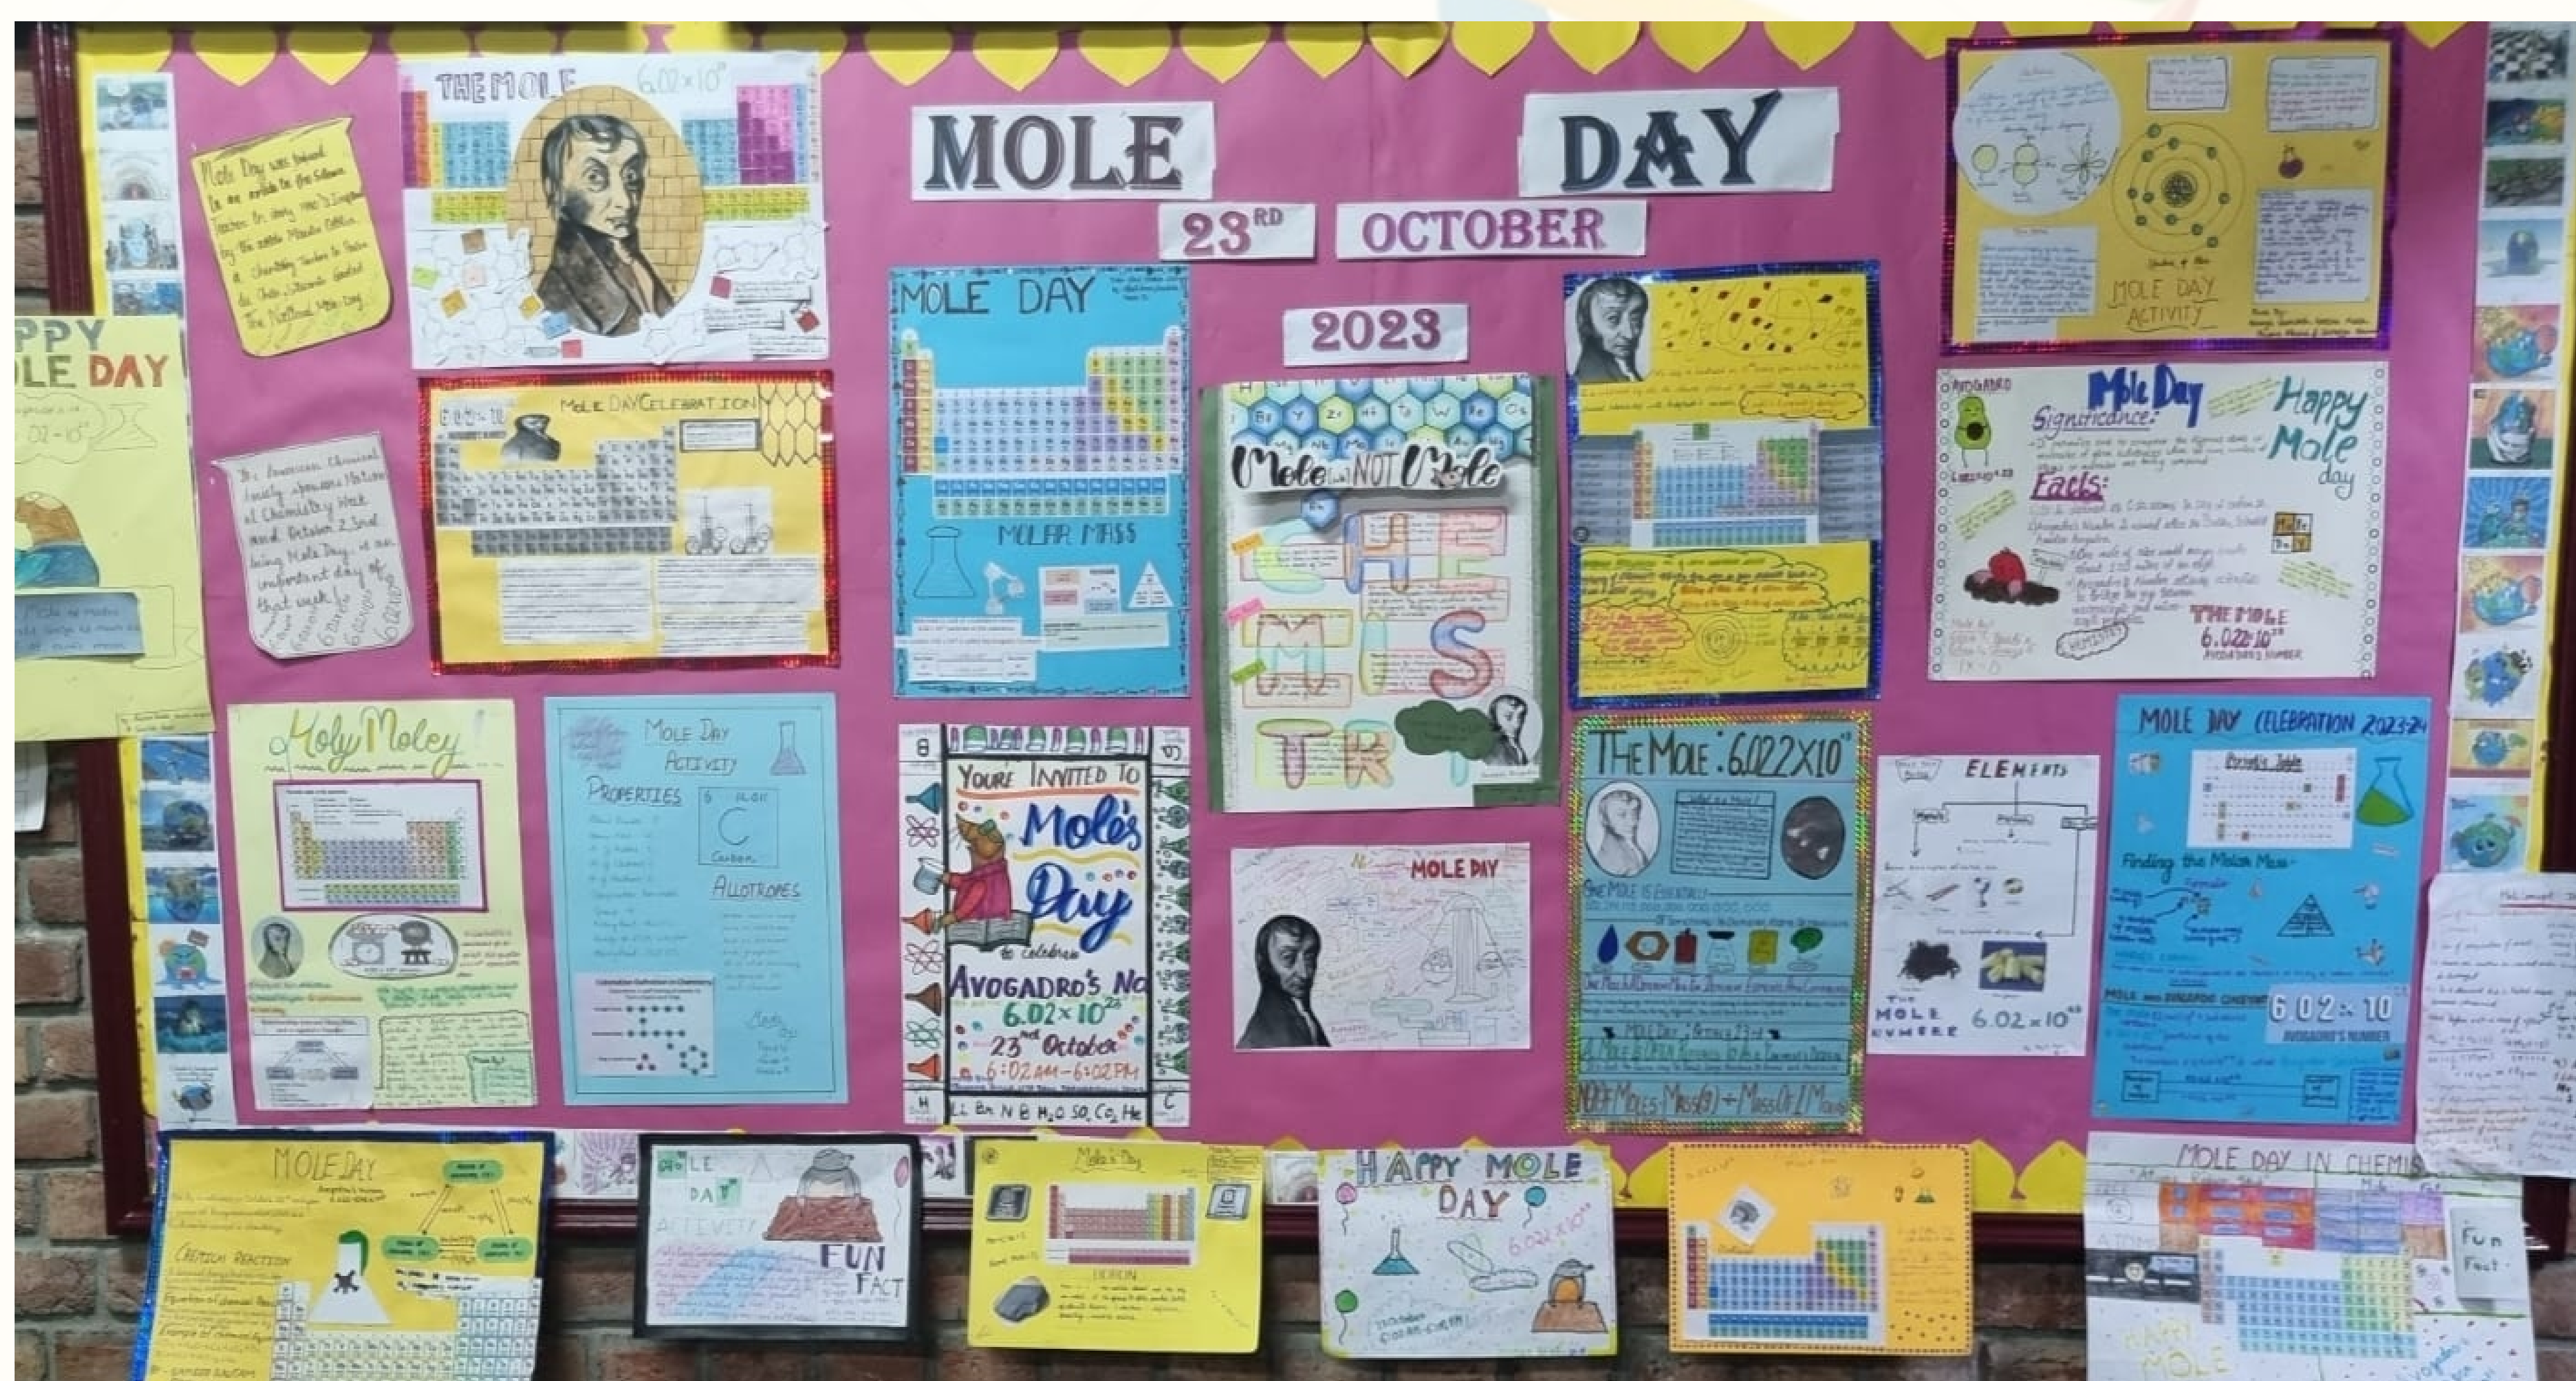

In an enchanting display of talent, Debdyuti from Class 11 captivated the audience with a mesmerizing Odissi dance, while Parthivi Mishra from Class 12 delivered a solo performance narrating a tale from the Mahabharata. Their exceptional performances garnered widespread acclaim from both esteemed guests and esteemed Chairperson Amita Chauhan.

The seamless success of the program owes much to the adept leadership and guidance of the school's Principal, Ms. Divya Bhatia.

# MOLE DAY CELEBRATIONS

Students from classes VII to XII at Amity Saket celebrated Mole Day and conducted various weekly activities. This celebration started in 1991 when chemistry teacher Maurice Oehler founded the National Mole Day Foundation. The foundation aims to get students excited about chemistry and show the cross-curricular connections between math and science. The day is celebrated on 23rd October every year at 6.02 am and pm signifying the Avogadro number  $6.02 \times 10^{23}$ . Students participated eagerly and enjoyed all the activities.

# ASTRONOMY COMET MAKING & ROCKETRY SESSION

The young students of classes 1 to 5, were involved in a Rocketry Session, which involved building and launching model rockets. The senior students of classes 6 to 9, participated in a Comet Making Session, which involved creating and simulating comets, helping them understand celestial bodies better. The students not only had a good time participating in these activities but also found them educational. The activities provided a unique opportunity for the students to gain a deeper appreciation for the wonders of space and astronomy. It's a testament to the effectiveness of interactive, experiential learning in sparking interest and understanding in a subject as complex and fascinating as astronomy.

## *Our School, Our Pride*

*There are many stars in the sky at night,  
Some twinkle so bright,  
I know one such star and  
you know it too, right!*

*Everybody’s lips say the name,  
the place right for those who aspire.  
I have the pride, I have the trust,  
The rules here are firm like the Earth’s crust.*

*Yes! you are quick to guess it right,  
Amiable and divine pathway to show us light,  
Go East or go West,  
You’ll say, “Amity is the Best!”*

# ***Rising Through Challenges***

***When everything seems lost,  
Never fall back.***

***When you go down,  
Your thought should never drown.***

***Sometimes the unexpected can appear,  
But never fear!***

***Count on yourself, Oh dear!  
Success may be near.***

***If you have fallen into a problem,  
Never feel low,  
Life may have twists and turns,  
That's how everyone learns.***

***When you set a goal,  
Complete it whole.  
Winners never quit and  
Quitters never win!***

# ***Mother Nature***

*The sands of time have rendered fear,  
Blue skies up high, no longer clear.  
Stars that twinkled, now can't be seen.*

*But trees are all gone because of human greed.  
Fishes abundant, oceans bright,  
Now choked, stinky and ugly sight.*

*We can't blame pollution alone,  
We are reaping what we've sown.  
Let's take this as a wake-up call!*

*Let us all pledge, to plant a sapling on every ledge.  
Protect what Mother Nature gave us for free,  
Our waters, skies, wildlife and trees.*

**Aadya Bhardwaj (V-D)**

# *A Tribute To Teachers*

*“A Teacher affects Eternity!”, these beautiful words of Henry Adams flashed before me as I went to bed. I didn’t want to let go of a chance so I grabbed my pen and made up my mind to thank God for the wonderful gift he has given us in the form of ‘TEACHERS’.*

*I salute all the teachers who are the guiding light, who hold the students strong in the tough times. They are the guiding force, the ray of light that help us to make the correct choices and differentiate between right and wrong. The influence and impact that a teacher creates is never-ending and it continues to inspire and encourage us forever in life.*

*I appreciate such extraordinary and selfless human beings in the world, who constantly inspire, motivate, guide and educate countless individuals and shape up their personalities, careers and nation. We should always count our blessings and my teachers are such a blessing that I can count a million times. Thanks, is never going to be enough! I owe you my lifelong respect and gratitude.*

# *Journey of 7*

*Seven friends with hearts so bold,  
Set out on a quest, their story untold.  
Through treacherous paths, they ventured alone,  
In search of treasure, yet the destination unknown.*

*Through forests deep, where shadows did creep,  
Over mountains high, where secrets did keep.  
They faced storms that raged and rivers that roared,  
With a bond unbreakable, they were undeterred.*

*In caverns of mystery, they finally arrived,  
Where the treasure awaited, its presence derived.  
Gleaming jewels and gold, a sight to behold,  
Their hearts filled with joy, their spirits consoled.*

*Seven friends, on a journey so grand,  
Found treasure not just in gold, but in the sand.  
For the true riches discovered along the way,  
Were the bonds they'd forged and the memories that stay*
