New Delhi -110017

Structural Engineer (SE-19)

stylenspaces@gmail.com

Ref. No.: ISHMO/LE-SE/2024-25

Date: - 05.10.2024

STRUCTURAL STABILITY CERTIFICATE

Certified that I have personally inspected the existing Senior Secondary School Building (Amity International School) on Road No. 44, Block-M, Saket (Malviya Nagar), New Delhi-110017. On request of owner.

Owner: - M/S Ritanand Balved Education Foundation.

Total area of plot is 9627.10 Sq. Mtrs.

The existing building

Consisting of Basement, Ground Floor, First Floor, Second Floor, Third Floor & Fourth Floor.

The existing building constructed with framed structure. The existing basement constructed RCC structure (RCC Raft, RCC wall, RCC columns & RCC Beams). In upper floors construction also carried out framed structure i.e., RCC Columns, RCC Beams, RCC Slabs. The RCC column & RCC Beams tied with each other, in every floor level. During the site inspection no cracks seen on slabs, columns, beams and no deflection seen in structure at the time of site inspection.

As per the structure drawing shown by the owner and site inspected by me. My opinion is that the existing structure is safe and sound for its permissible / sanctioned use. Including safety from natural hazards.
