Vasudha: Igniting Young Minds Towards Sustainable Innovations

Amity International School VKC in Lucknow proudly hosted "Vasudha," an awe-inspiring Science Exposition and Exhibition held on August 4th and 5th, 2023, under the visionary guidance of Chairperson Dr. (Mrs.) Amita Chauhan. This remarkable event provided an esteemed platform for students spanning from classes I through XII to showcase their innovative scientific and technological skills. The event featured captivating displays, showcasing noteworthy innovations such as hydrogen-fuelled airplanes, embodying a sustainable and eco-friendly approach to air travel. Another exceptional creation was smart spectacles equipped with AI technology, aiding visually impaired individuals by detecting objects within a 10-meter range. Models like LVM-3 and solar panel vehicles showcased the students' prowess and

creativity, truly stealing the limelight. Vasudha aimed to ignite innovative thinking among young minds, challenging them to tackle contemporary challenges with creativity and determination. It cultivated an environment of learning and enthusiasm, encouraging students to explore beyond conventional boundaries. The event commenced with traditional ceremonies, including the lamp lighting and the symbolic presentation of saplings to esteemed judges. Students, working in small groups, identified environmental issues and proposed solutions through action research projects, focusing on themes like Solar Energy, Go Green, Urban Ecology, Soil Conservation, and Waste Management. In conclusion, the Principal of AIS VKC extended gratitude to the judges and urged students to embrace their feedback, propelling them toward continuous improvement in their innovative pursuits.
