OCTOBER 2019

AMITY INTERNATIONAL SCHOOL, VIRAJ KHAND, LUCKNOW

## Chairperson's Message

Dr (Mrs) Amita Chauhan

Each time, I visit Amity International School VKC Lucknow, and interact with the students, I can see my dream coming true; my dream of nurturing a responsible generation that will take on the mantle of tomorrow.

It gives me immense pride to share that today Amity Group of Schools has truly become a paramount global educational institution. Providing an education

system that blends modernity with tradition, Amity has reshaped the world perceives education. With an aim to nurture conscientious leaders, we provide holistic learning, with a strong emphasis on inculcating values in young ones. As a result, today Amitians are leading in all walks of life, right from astronomy to politics, leading the world onto the path of change. I am confident that AIS VKC Lucknow will take forward this legacy of excellence with elan.

It has always been my earnest endeavour to provide my students with the best facilities and opportunities. This newsletter is yet another platform where students get to showcase their creativity and the school can share its achievements. The newsletter serves as a perfect add-on to the school's newspaper, 'The Global Times', another platform that gives Amitians the chance to share their opinion.

My heartiest congratulations to you for publishing your very own first newsletter 'Amity Chronicles'. The newsletter beautifully chronicles the myriad activities in the school, along with presenting the students' creative side. I envision this newsletter to become a paramount representative of Amity's philosophy of 'vidya dadati vinayam'. Wishing my Amitians all the best, to make India a knowledge superpower as envisaged by our Founder President Dr Ashok K. Chauhan.

## Principal's Message

As long as our ideas are expressed and imagination is kindled, we can be sure of learning. I feel immense pleasure in handing over the first issue of Amity Chronicles, the first newsletter of our school. The newsletter encapsulates the working of the school and presents a blend of traditional and modern values that are imparted in the school. Amity Chronicles is a milestone that has marked our growth and unleashed a wide spectrum of creativity. We promise that our school will never fall short on delivering excellence and will constantly strive to produce world class citizens.
